Manager, Retirement Systems

Purpose Statement

The job of Manage, Retirement Systems is done for the purpose/s of planning, organizing, coordinating and managing a variety of payroll deductions for the State Teachers’ Retirement System (STRS), Public Employees Retirement System (PERS), Social Security, Medicare and other alternative retirement programs for school district employees in the County; ensuring compliance with established laws, codes, regulations and legal requirements; and supervising and evaluating the performance of assigned personnel.

Essential Functions

- Acts as IRS tax reporting agent for schools on county payroll system for the purpose of serving as liaison with IRS to resolve any tax deposit and return discrepancies on behalf of the school districts.
- Analyzes and interprets legal codes, ruling, retirement and tax requirements for the purpose of maintaining current knowledge of applicable regulations.
- Attends a variety of staff, management, local and state committee meetings for the purpose of serving on local, state and regional advisory committees to keep abreast of upcoming proposals and changes.
- Collaborates with integrated technology systems personnel for the purpose of determining program and system requirements, identifying and resolving system problems and validate test and system outputs.
- Communicates with district human resources and payroll personnel and appropriate agencies for the purpose of resolving retirement and tax related issues and/or technical matters and procedures.
- Conducts workshops and training sessions for staff and member districts personnel for the purpose of providing information on proposed retirement law changes, the input of source data, retirements membership criteria, and the preparation of required records and reports.
- Coordinates, trains and assists the independent districts for the purpose of assisting with preparation for their retirement reports, conferring with their data processing staff to coordinate system modification to interface with the county payroll retirement reporting system.
- Manages retirement program payroll deductions and related tax documents (e.g. STRS, PERS, Social Security, Medicare, W-2’s, 941-C, etc.) for the purpose of ensuring timely and accurate input, correction and auditing of retirement data.
- Monitors the preparation and maintenance of a variety of complex financial and statistical records and reports (e.g. payroll, retirement, tax deposits, cash transfers, employee service credit, contributions, expenditures, etc.) for the purpose of documenting activities, meeting compliance requirements and/or providing supporting materials for requested actions.
- Organizes work assignments and schedules of department staff for the purpose of determining priorities and assuring services are provided in a timely and efficient manner.
- Oversees the calculation of employer costs and deposits of employee and employer contributions for the purpose of ensuring compliance with legal, financial and county/state/federal requirements in accordance with established schedules.
• Performs personnel administrative functions (e.g. interviewing, evaluating, supervising, scheduling, etc.) for the purpose of maintaining adequate staffing, enhancing productivity of personnel and achieving objectives within budget.

• Provides technical expertise to County Office and school district personnel and administrators for the purpose of providing information and/or assisting in identifying and resolving issues/problems.

• Reviews pending legislation for the purpose of maintaining current knowledge of legal requirements and preparing summaries and recommendations for maintaining compliance with current or new legislation.

Other Functions

• Performs other related duties as assigned for the purpose of ensuring the efficient and effective functioning of the work unit.
