JOB DESCRIPTION
San Diego County Office of Education

Senior Director, Maintenance and Operations

Purpose Statement
The job of Senior Director, Maintenance and Operations is done for the purpose/s of planning, organizing, coordinating, and managing maintenance operations activities to provide clean, safe, well-maintained and environmentally secure facilities; directing custodial, grounds keeping, maintenance, transportation, warehousing and other assigned services; supervising and evaluating the performance of assigned staff; providing leadership and assistance to school districts in relationship to maintenance and operational responsibilities.

Essential Functions

- Analyzes work methods and procedures (e.g. emergency and disaster preparedness, security, telecommunication applications and functions, toxic waste and asbestos management, ADA issues, etc.) for the purpose of increasing efficiency and cost effectiveness.

- Collaborates with internal and external personnel (e.g. SDCOE and school district staff, regulatory agencies, architects, contractors, vendors, etc.) for the purpose of implementing and/or maintaining services at County office facilities and SDCOE off-site locations.

- Directs and manages department operations; the maintenance of services and the implementation of new programs and/or processes (e.g. emergency operations, safety and security, contracts, transportation, delivery, mail, lunchroom, warehousing, meeting and seminar room reservations, water and energy conservation, site repairs/construction, etc.) for the purpose of coordinating functions for providing services within established timeframes and in compliance with related requirements.

- Inspects new construction, repair work, projects, equipment, work orders, daily maintenance and supplies (e.g. fire alarm inspections, roofing repairs, carpet replacements, alteration of buildings, etc.) for the purpose of ensuring that jobs are completed efficiently; specifications are within regulatory requirements; and approving inspection reports and payment requests.

- Maintains manual and electronic documents, files and records (e.g. specifications, contracts, archival information, compliance reports, inventory of spare parts and excess parts, etc.) for the purpose of providing up-to-date reference materials.

- Monitors budget allocations, expenditures, fund balances and related financial activities (e.g. Public Works projects, custodial budget, deferred maintenance project budgets, purchase orders, RRMA budgets, maintenance expenditures, etc.) for the purpose of ensuring that allocations are accurate, revenues are recorded, expenses are within budget limits and/or fiscal practices are followed.

- Negotiates, approves and renews contracts, leases and tenant improvements for opening and closing JCCC facilities, maintaining JCCS sites, etc. for the purpose of ensuring purchases and services are within state and district requirements/regulations and achieving outcomes consistent with the district's long and short range goals.

- Oversees the physical operations of the main campus East County Regional Education Center (ECREC) and the North County Regional Education Center (NCREC) for the purpose of reviewing the construction and maintenance work conducted at the sites and working collaboratively with school district personnel to develop operations guidelines, policies and procedures.
• Participates in meetings, workshops and seminars (e.g. maintenance yard meetings, architects and construction management meetings, safety training, etc.) for the purpose of conveying and/or gathering information required to perform functions, identifying issues, developing recommendations, supporting other staff and serving as District representative.

• Performs personnel functions (e.g. interviewing, recommending for hire, evaluating, supervising, scheduling, assigning tasks, etc.) for the purpose of maintaining adequate staffing, enhancing productivity of personnel and achieving objectives within budget.

• Prepares a wide variety of reports, records, files and lists (e.g. estimate costs for labor and materials, bid preparation, budgets, short and long-range maintenance planning programs for vehicles/equipment/building infra-structures, emergency and disaster preparedness, hazardous waste disposal procedures, etc.) for the purpose of documenting activities, providing written reference, and/or conveying information.

• Responds to inquiries (e.g. administrative staff, local inspectors, custodial/maintenance/grounds staff, contractors, architects, the public, etc.) for the purpose of providing required information and/or referring to appropriate source.

• Serves as a liaison between the department, architects/contractors, federal/state and local entities, etc. for the purpose of representing the County Office as a leader in the development of maintenance standards, as well as energy efficiency and conservation.

Other Functions
• Performs other related duties as assigned for the purpose of ensuring the efficient and effective functioning of the work unit.
