

Meet Our Newest **KOZAK !**

Why will you see **Kosmo** on campus?

Kosmo is a certified therapy dog so you'll see him working with some students on campus a few times each month.

Students will not be required to work with Kosmo but counselors will work with the teachers and students to make sure that if Kosmo comes into a classroom, students are comfortable and don't have allergies.

Name: **Kosmo**
Age/Breed: **Five-year old**
Golden Retriever

To find out more information about Kosmo and how this program will work at KIS **please watch this video.**

After watching the video, if you have any questions, please contact your grade level counselor.
