Tutoring

The instruction of students in a teacher’s class shall be part of his/her regular duty. These students shall be entitled to all the reasonable amount of time that is needed or can be given to them. No teacher shall teach privately (tutor) students of any school where such teacher has classes. This shall not apply to teachers employed by the Board of Education (Board) who are providing homebound instruction to Amity Regional School District No. 5 (ARSD) students. It is also suggested that the classroom teacher be notified as a courtesy, if a student is tutored by another teacher from within ARSD.
