

3900 University Blvd.
Tyler, Texas 75799
903.730.3988

August 26, 2021

To Whom it May Concern:

The UT Tyler University Academy is a T-STEM, PLTW, University laboratory school where students are expected to receive many hours of dual credit. UTTUA has chosen to only rank the top 10% of students, as required by the state, the rest of the graduating class is not ranked.

Sincerely,

Kathy Parker
