

# North Middle School Parent Involvement Policy 2021-2022

1. Our school will convene a meeting in the fall to inform parents of our school's participation in Title I and the services and programs we provide. We will inform them of their right to be involved in the program.
2. Parents will be notified of their child's academic progress through progress reports, parent conferences, report cards, and contacts based on individual student needs.
3. We will report results on the standardized state assessments.
4. Parent resources will be made available in the office and counseling center.
5. The NMS Student/Parent/Teacher Compact will be made available to all students participating in Title I funded services and programs. This compact will inform all parties of their responsibilities toward achieving academic success.
6. Parents will be invited to serve on the Site Council. The council will contribute to the School Improvement Plan, approve staff development, and make other recommendations for school improvement.
7. Two representatives from NMS will serve on the Parent Advisory Council. The parent will report back to PTSA.
8. NMS PTSA will meet regularly and will support school and staff initiatives and needs.

To be reviewed by Site Council in Spring of 2022
