

Read to a Child

VOLUNTEER WITH US!

Read to a Child's Read Aloud Mentoring Program partners adults one-on-one with an elementary school student for a rewarding weekly read aloud experience. The relationship typically lasts for the entire school year and often extends for multiple years through the end of fourth grade. The simple act of reading aloud to a child once a week, over time, can have a profound impact on the child's future. COVID has brought our reading sessions online, but we are hoping that, in the coming year, we may be able to offer in person programming. For this reason, volunteers must be within a reasonable daytime commuting range from one of the following schools.
