The link to the application is on the CEF website: <https://www.ccs.k12.in.us/foundation/scholarships>. Please use Firefox or Chrome browsers.

How do I apply?

Applicants will complete a **CEF General Scholarship Application** that is similar to a “common app” using the Kaleidoscope platform. Please review **all available scholarships** prior to starting your application to determine what you are eligible for- this will make the application process smoother.

- You will create an account using your first name, last name, and your email address (not a parent’s). **Your name should match what you used on college applications.**
- You will create a password to allow you to return to your application.
- Throughout the application, you will select criteria based on your involvement (i.e. participation in a club, sport, or attendance at a particular elementary school).
- Based on the criteria you select, you will receive a list of scholarships you are eligible for.
- Several scholarships require an essay. The essay questions and word limits are listed in the [2023 CEF Scholarship Directory](#). We advise that you type these ahead of time and paste them into the application. Evaluators will give priority consideration to those that have correct spelling, grammar and thoughtful content.

What will I need for the application?

- Student email address that is not a CCS address and that is regularly checked. All correspondence will utilize this address. Please do not use a parent's email address.
- A list, in priority order, of colleges, universities, skilled trade programs you have applied to. Prior to scholarship award decisions the CHS counseling department will verify what school or program you have committed to.
- If you qualify for scholarships that have financial need as a criteria (as noted on the description under the FAFSA column) please provide a pdf of your: **Student Aid Report (SAR)** including your **Estimated Family Contribution (EFC)** information from the [Free Application for Federal Student Aid \(FAFSA\) in Section 9 \(PDF format\)](#). FAFSA forms will only be viewed by Carmel Education Foundation staff for verification.

How many CEF scholarships can I receive?

You may receive one CEF scholarship. Our priority is to award recipients with the highest dollar amount scholarship from all scholarships you are eligible for.

Who selects recipients for each CEF scholarship?

For many scholarships, the family or organization that funds the scholarship helps select the recipient. For others, a committee representing Carmel Education Foundation board members and community members select recipients.

When will I know if I am receiving a CEF scholarship?

All applicants will be notified in early May as to whether or not they will receive a CEF scholarship. Students receiving an award will be invited to attend the CEF Community Scholarship Night at Carmel High School on May 16, 2023 where they will learn which scholarship they have received.
