

ADDENDUM # 1 RFP 21/22-3 TUTORING

1) We provide ELA tutoring for grades prek-3. Are we eligible to respond to the solicitation, or is the district looking for vendors who can provide all grades from prek-8?

Our current priority is grades 1 and 2, though we are interested in the possibility of expanding into higher grades in the future. You are welcome to submit a proposal.

2) Virtual tutoring is an option mentioned in the “High-Dosage Tutoring” document. To be clear, is the district accepting bids from 100% online tutoring companies?

Yes.

3) Will the district accept background checks from out-of-the-country?

As long as it includes a US background check too.

4) Would the district accept proposals from an all virtual tutoring platform/agency?

Yes
