Happy Thanksgiving!

欢度感恩节

We celebrated the Thanksgiving holiday by eating a traditional meal. Our chefs prepared hard to replicate what most Americans would eat at home. They did a great job! It was fun for our staff and students to eat together and reflect on what they are grateful for this year. The IB Learner Profile of Caring focuses on taking care of one another. We are working hard at Sias IS to build a culture where all students care for one another and show gratitude.
