### MISSION

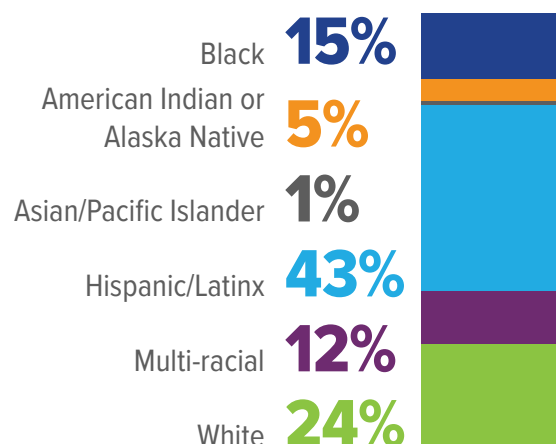

The Alexander Graham Bell family is committed to growing together towards achieving our full potential. We aspire to relentlessly pursue personal growth, to demonstrate mutual trust and respect, and to prepare our scholars for college and career.

### STUDENT LEADERS

Bell scholars use the national Leader in Me curriculum to ground us in student ownership and empowerment. We are committed to creating and maintaining a culture of engagement and shared responsibility with our students, families, and community stakeholders. Our teachers strategically plan for meeting the diverse needs of all our students and celebrate their success and strengths daily.

### RACIAL/ETHNIC DISTRIBUTION\*

\*Enrollment data from October 1, 2021.

## FOCUS ON THE WHOLE CHILD

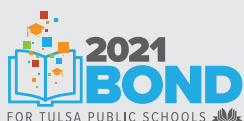

We invest heavily in our Early Childhood scholars. Our goal is to build a strong foundation in the early years, as we guide our learners on the path of career and college readiness.

Tulsa's Any Given Child Initiative provides our scholars additional access to the Arts through local artists and live performances. Our scholars will engage in live arts experiences at the Performing Arts Centers, local museums, and local performance groups.

We are excited to be able to provide rich, meaningful after-school experiences for our scholars through our partnership with Relate 918. We are able to connect our students with the Tulsa Changemakers, the YMCA, the YWCA, Campfire, the Bike Club.

## STEM PROGRAMMING

Thanks to the support of the Cal Ripken, Sr. Foundation and Devon Energy, every elementary school has a new STEM center where students can participate in fun and engaging hands-on learning activities - including computer coding!

Thank you Tulsa for investing in every child and every school! Because of you, every child in our district will see, feel, and experience the benefits of the 2021 Bond package. Tulsans have made a five-year \$414 million investment in safe and accessible schools; state-of-the-art educational technology; sustainable student transportation; and rigorous, engaging, and culturally sustaining learning experiences that prepare students for success in college and careers.

### At Bell Elementary School, the 2021 Bond for Tulsa Public Schools includes:

- » A full interior renovation for the school building that includes remodeling restrooms, paint, flooring, and improving ADA-accessibility throughout the building;
- » A new playground structure, digital marquee, parking lot and exterior lighting improvements;
- » New educational and instructional technology for every class;
- » New equipment, materials, and resources for fine arts and physical education; and
- » Safe, comfortable, and environmentally sustainable transportation.
