412 TOTAL STUDENT ENROLLMENT

MEMORIAL FEEDER PATTERN

MISSION

The mission of Salk Elementary School is to teach all children to solve problems, understand and cooperate with others and become lifelong learners contributing to the community as effective leaders.

HEALTH AND WELLNESS

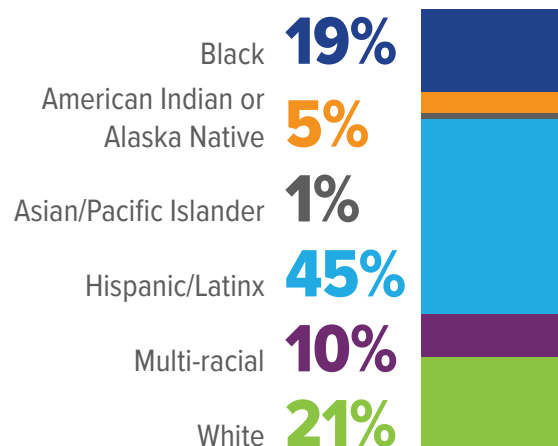

Salk Elementary School has been an Oklahoma Healthy Safe School from the State Department of Education for two years. We are very proud of our Physical Education program, as we participate in the International Walk to School Day and the Zoo Run each year to encourage our students to stay active. We also host an annual Salk Super Kids Day. These events are a great way for parents to bond with their kids!

INVESTED IN THE COMMUNITY

Salk is a focal point of our neighborhood with a long history of stability and veteran instructors. The average teaching experience in our school is 19 years, and many have taught at Salk for an average of 9 years. This results in an engaged student body participating in everything from the Chess Tournament to Read Across America Week. We also host community events such as Fall Festival, Polar Express Literacy Night, and Bingo Night.

RACIAL/ETHNIC DISTRIBUTION*

*Enrollment data from October 1, 2021.

CLUBS AND PROGRAMS

After Learning Care, Bike Club, Book Club, After School Tutoring, Student Council, Salk Sound, Safety Patrol, Music Notes, Band

STEM PROGRAMMING

Thanks to the support of the Cal Ripken, Sr. Foundation and Devon Energy, every elementary school has a new STEM center where students can participate in fun and engaging hands-on learning activities - including computer coding!

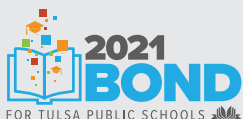

All clubs and programs have been paused as we monitor COVID-19 conditions and safety protocols.

ARTS OPPORTUNITIES

At Salk, we offer multiple enrichments in the arts for our scholars. Through this program, students learn music throughout the school year, rehearse at an all-day field trip with other Tulsa schools and perform that same evening for family members. In addition, you may see artwork from our students on display at the nearby McDonald's. This valuable community partner supports our students in many ways, including donating tablets for our reading challenges.

A FAMILY SCHOOL

Parents are always welcome in our building because we know their role is vital in the academic development of our students! To engage parents with their students' learning, we offer multiple parent events throughout the school year, such as Fall Festival, bingo nights and school picnics. For our annual Polar Express Literacy Night, every child meets Santa and receives a free book, cup of hot chocolate and a cookie. In January, we host a Chit Chat and Chili Night, which provides parents with testing tips and ways to help students increase their reading level. We are thankful for community partners such as Kingdom Reign Ministries and Parkview Baptist Church who make these programs possible for our students.

Thank you Tulsa for investing in every child and every school! Because of you, every child in our district will see, feel, and experience the benefits of the 2021 Bond package. Tulsans have made a five-year \$414 million investment in safe and accessible schools; state-of-the-art educational technology; sustainable student transportation; and rigorous, engaging, and culturally sustaining learning experiences that prepare students for success in college and careers.

At Salk Elementary, the 2021 Bond for Tulsa Public Schools includes:

- » A new playground structure, a digital marquee, and parking lot improvements;
- » New educational and instructional technology for every class;
- » New equipment, materials, and resources for fine arts and physical education; and
- » Safe, comfortable, and environmentally sustainable transportation.
