

CREEKSIDE INTERMEDIATE

Lunch Procedures/Expectations

Students will have assigned seats* within a group of tables that are assigned to their 5th period teacher. Students are expected to sit in their assigned seat every day.

Students are permitted to make one trip through the lunch line. All items should be purchased at that time to prevent multiple trips.

Students should be respectful of our campus and be diligent in keeping a clean area. Students may find an adult for assistance/direction on cleaning up spills of any kind.

Students should treat all food service and custodial staff with respect.

Students will remain in the commons for the duration of lunch. They may not leave without permission.

Not outside food or drink deliveries will be allowed.

* Assigned seats are necessary as CCISD will support local health authorities in any applicable contact tracing efforts. Please refer to ccisd.net/covid19 for more information.
