Acting Principal: Mr Anthony Snape

15 December 2021

Dear Parent/Carer

I mentioned last week in my end of term letter that I would write again regarding in-school Covid testing in January.

All years should attend as normal from Tuesday 4<sup>th</sup> January (week A). During the first two days of term, students with consent will leave their lessons in order to have these school managed tests. If any student has a positive result, parents will be contacted and students will need to go home and organise a confirmatory PCR test.

We will use consent information already provided by parents, but please contact [office@theburgesshillacademy.org.uk](mailto:office@theburgesshillacademy.org.uk) if you wish to retract your consent.

Whilst writing, could I please remind you about the importance of the use of regular lateral flow tests. Students will be provided with kits to last them over the Christmas break and should log their results in the normal way [www.gov.uk/report-covid19-result](http://www.gov.uk/report-covid19-result) and also log here [inform academy](https://inform.academy).

Yours sincerely,

Anthony Snape  
Acting Principal
