NĀ PUA O 'EMALANI THE CHILDREN OF 'EMALANI

Founded by a courageous, faith-filled queen, our school deeply values our Hawaiian and Episcopal heritage, purposefully cultivating the mind-body-spirit connection. In this nurturing environment, our students uncover the gifts and talents that will make a difference in the lives of others. We know that as children increase their understanding of their connection to others, they are ultimately inspired to make positive contributions to the world throughout their lives.
