

NCAA Eligibility Tracker
Division 2 Eligibility

The guidelines on this form are only applicable to students who graduate on time, within four years, and with their original high school class. The document is intended to assist the Student-Athlete in tracking their progress, but ultimate eligibility is determined by the NCAA. The NCAA eligibility information can be found at ncaa.org/hportal/exec/links?linksSubmit>ShowActiveLinks

The NCAA bases athletic eligibility on Core Credit GPA, not cumulative GPA as is commonly seen on your transcript. This tracker is intended to help you calculate your Core Credit GPA, and determine the SAT or ACT test score needed to be cleared for full NCAA Eligibility.

Notes to consider before utilizing the tracker:

- This tracker is for use by all athletes who plan to enroll at an NCAA Division 2 school.
 - For students who plan to enroll before August 1 2018, the minimum GPA is 2.0, and the student must earn an SAT combined score (verbal and math) of at least 820 or an ACT sum score of 68.
 - For students enrolling after August 1 2018, the minimum GPA for eligibility rises to 2.2, and student athletes must check the NCAA sliding scale for eligibility.
- Since Issaquah High School is on the Semester system, each GPA score box, (labeled term +#), represents one class, worth one half credit. If your courses are worth less or more than a half credit, make the necessary adjustment in the tracker. For example, if you take a class worth one full credit, include the GPA score in two boxes.
- For each semester completed, fill in the GPA score for each letter grade into one of the 'term' boxes. Use the following scores:
A=4, A- = 3.7, B+=3.3, B=3, B-=2.7, C+=2.3, C=2, C-=1.7, D+=1.3, D= 1, D-=0.7
- You may *replace* GPA scores if you retake a course, but you may *not* count a course twice if you retake a class.
- You may substitute courses for classes with better grades if you have an excess of credits.
- If you are unsure whether a specific course you are taking satisfies NCAA requirements, ask your counselor.

English

Term 1	Term 2	Term 3	Term 4	Term 5	Term 6

English Credits Earned

out of 3

Math (Algebra 1 or Higher)

Term 1	Term 2	Term 3	Term 4

Math Credits Earned

out of 2

Physical/Natural Science (If your school has lab sciences, one full credit must be a lab Science)

Term 1	Term 2	Term 3	Term 4

Science Credits Earned

out of 2.

Social Science

Term 1	Term 2	Term 3	Term 4

Social Science Credits Earned

out of 2

Three Additional Years of English, Math or natural/physical Science

Term 1	Term 2	Term 3	Term 4

Additional year credits earned

out of 3

Four additional years of English, Math, Natural/Physical Science, Social Science, Foreign Language, Comparative Religion, or Philosophy

Term 1	Term 2	Term 3	Term 4	Term 5	Term 6	Term 7	Term 8

Four Additional Years Credits Earned

out of 4.

Total Credits Earned

Total Term Boxes Filled

To calculate Core Credits GPA, add together the Grade point numbers in the term boxes, then divide by the number of boxes filled. Note: do not divide by core credits overall, divide by the number of boxes, as each GPA score is represented by .5 credits.

Core Credits GPA

SAT Score: Verbal and Math Only

ACT Score: Summative

Compare your core credits GPA and SAT or ACT score to the sliding scale below

NCAA GPA/Test Score Sliding Scale

Use for Division II Full Qualifier beginning August 1, 2018
