December 16, 2021

Dear Westport Community School Families,

We have become aware of a troubling post that has been shared widely this week on the social media platform TikTok. The post refers to a threat to school safety “for every school in the USA, even elementary,” **on Friday, December 17.**

The post appears to be part of a national TikTok trend and did not originate in our school district. We have heard reports from other communities that the same post is circulating in their schools. While we do not believe the threat to be credible, we closely monitor the situation and take it seriously.

Additionally, we have contacted Chief Pelletier of the Westport Police Department regarding the post. As a measure of our collective commitment to school safety, we will have police officers at ALL three of our school buildings tomorrow.

This situation serves as an excellent example of why it is important to avoid sharing posts online that refer to school safety threats. Even if they are not credible threats, they can cause a great deal of stress and anxiety for our students, families, and staff. We ask our families to monitor their children’s social media activity and speak with them about proper behavior online.

If you or your child become aware of any potential threat posted to social media or anywhere else, please notify a school staff member or trusted adult right away.

As always, thank you for your partnership as we work to ensure a safe, secure, and positive learning environment for our students.

Sincerely,

Thomas F. Aubin
Superintendent of Schools
