

DECEMBER 16th
2021

PARKWAY PANTHER PRESS

Happy
Holidays
AND A
JOYFUL NEW YEAR

I would like to begin this week's newsletter by wishing you and your loved ones a season of happiness and enjoyment. May the spirit of the holidays bring your family an abundance of peace, joy and laughter. The winter break will occur between December 23-January 2. We look forward to welcoming the students back on January 3, 2021. *Dr. Smith*

Our lost and found is overflowing with both summer and winter clothing. If your student has misplaced something, please encourage them to look through the clothing items in our Lost & Found located in front of the Gym doors. Please note, we donate unclaimed items to families in need. Therefore, we will continue to remind students to look in the Lost & Found next week, and on December 23rd, we will wash and donate the items that are left, providing gently used clothing products to families in need.

&
Found**

In the
Spotlight

This week we are featuring amazing students doing some wonderful things. Our 2nd grade friends are working on Math Workplaces that encompass place value, addition and subtraction, and problem solving. Partnerships allow 2nd grade mathematicians to work as a team at the workplaces to use the open number line and the splitting strategy, which they've been learning, to determine how

to best solve equations. Math Workplaces also provide opportunity for reinforcement--students can use manipulatives as a hands-on way to figure out equations. Enrichment & extension is woven in as students use strategy to find more than one way or the most efficient way to solve equations. The best part of Workplaces is that students work collaboratively encompassing math and SEL skills & strategies!!

Give Your Teacher the Perfect Gift for the Holidays

Scratching your head over that perfect holiday gift for your child's teacher?

Does he really need another mug or scented candle? Here's another option: Give your teacher a tribute card instead, through a donation to the Glendale-River Hills School District Foundation.

When you donate to the tribute card program, 100% of your gift is available to support your teacher – along with tribute gifts from other families – and she can spend it on books, art supplies, globes, maps, music instruments, or anything else she decides her classroom needs.

Have questions? Contact:

Shawn McMahon
Treasurer, GRHSD Foundation

McMahon.Shawn@Principal.com

TILLEY TIP

In Mr. Tilley's social emotional learning classes this week, students will be learning (through the Second Step Curriculum) that making mistakes is ok. With adult support, students will be able to recognize that mistakes are a part of the learning process by encouraging themselves and others when they make mistakes.

During structured play this upcoming week students will have an opportunity to play gaga ball, kickball, or soccer during their structured play time.

As the weather grows colder, this is a reminder that all students are expected to participate in outdoor recess, unless the following conditions are present: rain, snow, or a combined wind chill and temperature or temperature of zero or below. Please note, if the students would like to play in the snow, they will need to wear snow pants and boots. Without snow pants and boots, students will be asked to remain on the blacktop and can continue to enjoy the playground equipment.

Please make sure that your student is prepared for the weather with a warm coat, snow pants, gloves, a hat and boots. Any families in need of assistance with winter clothing may contact our School Social Worker, Denise Davis at denise.davis@glendale.k12.wi.us or 414-380-9251.

Note!

You can view your student's report card on December 2nd via Infinite Campus.

HOUR
OF
CODE

Our Computer Science unit kicks off with the

Grade 3

3rd graders are creating fun, imaginative projects with Hello World: Animal Sprite Lab. Students are learning to create and animate sprites and make them interactive with events.

An event tells your program to listen for something to happen, and then react right away. An example of an event is listening for a mouse click, an arrow button press or a tap on the screen.

Grade 2

2nd graders are creating with the Scratch Jr. app. Students are using graphical programming blocks to make their characters move, jump, dance and sing.

Grade 1

1st graders are coding with the codeSpark app. Students are learning to think like a computer scientist. The students are breaking down problems, thinking in logical sequences, and using precise language to give the computer instructions to move their Foo through the puzzle.

K5

K5 students are learning to code with the Kodable app. Students learn to think like a programmer, and use coding basics to move their Fuzz through the mazes. K5 students are building their problem-solving skills and are learning to collaborate with others to solve difficult puzzles.

Talk like a Computer Scientist:

- Computer Science: Using the power of computers to solve problems and express ourselves.
- Programming: To give a computer or machine instructions.
- Sequence: The order that commands are performed by a computer.
- Loop: Repeat a sequence of instructions.
- Debug: Find and fix errors (bugs) in programs.

Visit the Parkway Library

RESOURCES

UNPLUGGED ACTIVITIES (no computer needed)

Too much screen time? No problem!

There are lots of great unplugged activities to do that help students learn about coding and computer science.

Let's Create our own Dance Party!

Thinking like a computer scientist, we could:

- Write an **ALGORITHM** - list of steps for our dance

High + Body + This + High =
Clap Roll or That Clap

- Decide on an **EVENT** (or cue) to tell everyone when to change to a new dance move

Event Controller

Directions:

- Select a programmer. The programmer will tap or point to a shape (the EVENT). When he/she taps the shape, the dancers do that dance.
- Each time the programmer points to a new shape, the dancers change to that dance move.
- Start the music and have a dance party!

Graph Paper Programming

Directions:

- Choose one of the drawings below to program with a friend. Don't let them see which one you choose!

Image 1

Image 2

Image 3

Image 4

Image 5

- Write the program on a piece of paper using the symbols below.

| | | | | | | | | | | | | | | |
|---------|----|----|----|----|----|----|----|----|----|----|----|----|----|----|
| Step 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 | 13 | 14 | 15 |

OUR BAD: PLEASE FILL DIRECTORIE FORM (AGAIN)

It turns out we've had such low participation because our form was broken – and only saved the information from people who purchased directories.

If you filled out the form previously, but did not purchase a directory, PLEASE FILL IT OUT AGAIN!!!

We are so sorry! Obviously, we're struggling with new technology.

Click the link or scan the QR code to access the directory form.

You DO NOT need to pay to add your information to the directory.

<https://my.cheddarup.com/c/pto-membership-fees>

1. Click  next to **Add Directory Information**.

2. In the pop up, click .

3. Fill out the form and click .

4. Fillout your contact information and click .

Please fill out a form and help us connect our community

Parent Teacher Organization

NEW YEARS RESOLUTION: MAKE GOOD MEMORIES

At this time of year, you've probably heard a lot about what your kids want. But, what they really need, and want, are good memories of times spent with their friends and family. Those memories are important for happiness and resilience as they grow older (psychologist say so:

<https://www.psychologies.co.uk/self/why-memories-can-boost-our-mood.html>). Those memoirs can get your kids through tough times.

One way to actively create good memories is helping with, and participating in, the PTO. Our family events like the Parkway Fall Fest, Glen Hills Family Activity Nights, and the Parkway Ice Cream Social give you a way to connect with your kids and meet their friends.

The PTO also helps create great memories for kids during school hours, by financing exciting in-school events, like Valentines Ice Cream Sundays at Glen Hills or Field Day at Parkway.

Each good memory helps build a lifetime of happiness.

If you want to help us build these great memories for your kids, and my kids, and all the kids in our district, the PTO has lots of opportunities. Please review the following table and see where your skills and passion can be put to use. Or, suggest a new event. We always welcome new ideas.

If you want to volunteer, send us an e-mail at Glendale.RiverHills.PTO@gmail.com and we'll bring you in the loop. Or, join us at our next PTO meeting at Glen Hills Commons, 6:15 p.m., on January 10. Kids are always welcome.

| Need | Description | When we need it |
|---|--|---|
| Parkway Sock Hop Committee | Work with the Parkway staff to plan the annual sock hop (or maybe, a rave?) | Jan/Feb |
| Glen Hills Valentines Day Ice Cream Sundays Coordinator | Get ice cream and coordinate volunteers to serve Ice cream during Glen Hills Lunch Periods | Jan/Feb |
| Parkway Ice Cream Social Committee | Plan the Ice Cream Social in the spring, coordinate volunteers | March/April |
| Parkway Field Day Coordinator | Help the Parkway Gym teachers however they need. Coordinate volunteers | May/June |
| School Supply Sale coordinator | Collect supply lists from the administration and coordinate with the company. Promote the sale. Distribute the supplies. | Some in May, some in June, lots in August |
| PTO Resale Committee | Organize collection of gently used children's clothing. Hold a resale. | TBD |
| Eating Out Fundraiser Coordinator | Work with local restaurant to have night-out events, where school families go to the restaurant and the PTO gets a cut of the sales. | All Year |
| Glen Hills Family Activities Night Committee | Plan events for Family Activity Nights and coordinate volunteers | All Year |
| LEADERS! | Traditionally, the PTO president only serves for two years. This is my second year. If you are at all interested in getting to know great parents, being fully involved with your kids schools, and working closely with the school administration we'd love for you to join our team. | All Year |

Want to help with something not listed (Fall Fest? Secret Gift Shop?) We welcome new volunteers as well. Just let us know. Glendale.RiverHills.PTO@gmail.com

GIVE YOUR TEACHER A TRIBUTE CARD

Scratching your head over that perfect holiday gift for your child's teacher? Does he really need another mug or scented candle?

Here's another option: Give your teacher a tribute card instead, through a donation to the Glendale-River Hills School District Foundation.

When you donate to the tribute card program, 100% of your gift is available to support your teacher -- along with tribute gifts from other families -- and she can spend it on books, art supplies, globes, maps, music instruments, or anything else she decides her classroom needs.

No donation is too small to matter! And since your donation is being made to a non-profit organization, you might also be able to multiply your gift -- ask your employer if it has a matching gift program.

To give a tribute card to a teacher, staff member, or school program, just fill out the attached form and return it with your donation. We'll make sure that each teacher you designate receives a special card announcing your gift and providing instructions on how to use it.

Have questions? Contact:

Shawn McMahon
Treasurer, GRHSD Foundation
414-736-1632
McMahon.Shawn@Principal.com

To learn more about the Foundation, visit our page on the school district website, at http://www.glendale.k12.wi.us/district_links/foundation.

The Glendale-River Hills School District Foundation is a Section 501(c)(3) tax-exempt organization. No goods or services were provided by the Foundation in exchange for your contribution.

TRIBUTE CARD DONATION FORM

Please fill out this form and return it with your donation.

Name _____ Address _____

City _____ State _____ ZIP _____

Total Amount Enclosed: _____

If you are a current parent or family member of a student:

Student name: _____ Grade _____

Please list each person or program to which you would like to give a tribute card. Your donation can be divided however you like. If you would like the Foundation to include a special message from you with your tribute gift card, include the message below.

| Staff name or program | School | Special message? | Amount |
|-----------------------|--------|------------------|--------|
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |

If you would like us to notify anyone else of your contribution (such as your employer, for matching funds purposes), please provide contact information:

Name _____ Address _____

City _____ State _____ ZIP _____

Message: _____

Please make checks payable to: **Glendale-River Hills School District Foundation**

Mail this form and your donation to:

Glendale-River Hills School District Foundation
2600 W. Mill Road
Glendale, WI 53209

Or you can drop your form and donation off at the Parkway Elementary School or Glen Hills Middle School main office for delivery to the Foundation mailbox.

The Glendale-River Hills School District Foundation is a Section 501(c)(3) tax-exempt organization. No goods or services were provided by the Foundation in exchange for your contribution.

Cultivating Compassion Resilience

The Glendale-River Hills School District will be offering an on-going group for district families and staff to discuss ways to build and maintain a sense of compassion resilience. The group will explore ways to act with compassion, saying “no” to support personal yeses, getting clear about expectations, creating a family/work culture one desires, and taking care of one’s mind, spirit, heart, and strength at the same time. The material for this group will be pulled from the Compassion Resilience Toolkit. For more information on what the group entails, please join a short overview on Monday, December 13 at 5:30 pm on Zoom!

Any child served through the program must
be seen with a parent or legal guardian.

KV1252 (10/20)

Student and Family Assistance Program (SFAP)

A free and
confidential resource

We can make a difference for students and families.

A healthy home and family life can nurture academic excellence.

To promote healthy homes, minds and families, your school is proud to offer the Student and Family Assistance Program (SFAP). Sponsored by the Employee Assistance Program (EAP) of Advocate Aurora Health (AAH), our counselors have been serving families for more than 25 years.

How it works

The SFAP is available at **no charge** to all students and family members residing within the household. Help begins when a family member or legally responsible adult calls the program.

Based on your needs, our specialists will:

- Connect you by phone with a professional counselor who will consult with you.
- Schedule a confidential appointment with a program counselor for you or your family. Many times, a family's concerns can be resolved within program sessions, saving time and money.
- Assist with an insurance- or community-based referral if your situation requires diagnostic or ongoing treatment.

All services are **confidential**. No information about you or your family situation will be shared with school personnel without your permission in accordance with state and federal law.

When to use the program

This varies from person to person. Generally, it's wise to seek help when a problem:

- Interferes with normal activities
- Occupies too much of your time
- Persists for more than several weeks

Typical concerns may include:

- Parenting support and coaching
- Academic pressures
- Alcohol/drug issues
- Anxiety and depression
- Child/family issues
- Divorce/blended families
- Marital/relationship issues
- Stress management

Additional services

Seeking a healthy balance

The following services are available to help families quickly and conveniently address other issues that may impact their lives:

- Legal consultation and mediation
- Financial consultation
- Child care resources
- Elder care resources
- Adoption information

Our promise to you and your family

Your privacy is protected in accordance with both federal and state laws regarding mental health and medical treatment records. The professionals within the SFAP make every effort to protect your privacy and ensure that your participation in the program is completely confidential.

How to reach us

Call **800-236-3231** and identify yourself as eligible for SFAP services through your school.

To learn more about these services or to schedule an appointment, please call **800-236-3231**.

Xavier Summer Reading Enrichment PROGRAM

College of Professional Sciences

Phonics
Fluency
Comprehension
Love of Reading
Vocabulary
Textbook Skills
Reading Speed
Writing Skills

Program for 4-Year-Olds and Entering Kindergartners

In this fun summer program, your child will learn to read. Children learn letter recognition, beginning phonics, and easy sight words. Your child will learn to read simple words and short sentences and will get excited about books and reading.

Program for Entering 1st Graders

In this fun summer program, your child will learn to read independently. Children learn phonics and sight words and build comprehension skills. Your child will develop a love of books and reading and get off to a great start in first grade.

Program for Entering 2nd Graders

In this fun summer program, your child will become a confident fluent reader. Children build solid phonics and word-attack skills and develop reading fluency and strong comprehension. Your child will develop a love of books and reading and get off to a great start in second grade.

Program for Entering 3rd Graders

In this fun summer program, your child will become a strong, enthusiastic reader. Children improve reading fluency and develop excellent comprehension. They build long-word decoding skills and expand their vocabulary. Your child will gain confidence, develop a lifelong love of books and reading, and get off to a great start in third grade.

Programs for Entering 4th and 5th Graders

In these fun and effective programs, your child will become a skilled, enthusiastic reader and a better writer. Students develop strong comprehension skills in fiction, nonfiction, and textbooks. They expand their vocabulary and learn to read more fluently and rapidly.

Students learn effective techniques that improve writing skills and build confidence. Your child will complete homework and writing assignments more quickly and easily, get better grades, and enjoy reading more.

Programs for Entering 6th, 7th, 8th, 9th, 10th, and 11th Graders

In these effective and enjoyable programs, your son or daughter will make substantial gains in comprehension in fiction and nonfiction, learn to read twice as fast, and become a better writer. Students expand their vocabulary and learn the best way to take notes and study for tests.

Students learn effective techniques that improve writing skills and build confidence. Your child will complete homework and writing assignments more quickly and easily, get better grades, and enjoy reading more.

The great books, inspiring teachers, and truly effective live online instruction your child needs to become a strong reader!

These programs are in partnership with Xavier University, a non-profit organization. Programs are taught by instructors from the Institute of Reading Development. Tuition varies by program level. Please ask about our family discount.

“My daughter is sounding out words on her own, and she is so excited about reading to us! She loved this program, and I was very impressed with the books and materials.”

– Parent of kindergartner

“Thanks to this program, my son is now reading independently and his confidence is through the roof. I cannot express enough how grateful I am for this program.”

– Parent of 1st grader

“Online teaching is a special set of skills, and your teachers are spot on!”

– Parent of 2nd grader

“Allison loved doing the long-word decoding lessons. Her reading skills have improved tremendously, and she is reading more challenging chapter books.”

– Parent of 3rd grader

“The teacher was phenomenal! She kept students engaged and participating, and my child was more excited about reading as the weeks went on.”

– Parent of 4th grader

“Patrick’s comprehension has really improved, and he loved the books. I’ve recommended this to other parents.”

– Parent of 5th grader

“The lessons were fun and easy to follow. It is much easier for me to study and take notes now. I don’t put off studying until the last day because I know I can get through it fast.”

– 7th-grade student

“I liked tracking my reading speed and seeing it go up from week to week. I used to not like to read because it was too time-consuming, but now it’s easier to finish.”

– 9th-grade student

Weekend and weekday schedules available!

INQUIRE EARLY! CLASS SIZE IS LIMITED.

KNIGHTS SWIM TEAM

WHITE TEAM (6-8 YEARS OLD)

This program is aimed at children who can swim and are interested in developing a stronger set of swimming skills. The program introduces children to competitive swimming and small meets are included. Children must be able to swim 2 x 25 yards (two lengths of the pool - one freestyle and one backstroke).

Participants are encouraged to attend both practices each week. The Schroeder Swim Team staff directs the program.
