The ultimate goal is family preservation and best utilizing the services available locally.

The Local Care team is an interagency team of professionals from Charles County's child serving agencies. We come together at one table with the goal of identifying and securing resources for a child with intensive emotional and behavioral needs.

Members of the Local Care Team include representatives from:

Charles County Advocacy
Council for Children,
Youth and Families
Department of
Juvenile Services
Developmental Disabilities
Administration

Substance Abuse Services
Behavioral Health
Administration
Board of Education
Department of Health
Social Services

The Local Care Team is available to Charles County Residents. The child/youth must be struggling with multiple areas of need. Families must be willing to participate in the process.
