Awards for Achievement

The Bethany Board of Education encourages administration and staff to maintain a set of criteria and procedures for presenting awards to students for scholarship and distinguished service in school activities. The Superintendent or designee shall oversee the development of staff guidelines for review and approval of proposed trophies, prizes, scholarships, or other awards from non-school donors.

The relationship between awards and the relevant goals of the school should be clear.

All honors and awards presented by the school shall serve as an incentive to enrich the school program. All honors, awards, and scholarships presented by the school shall be awarded strictly on the merits of the student receiving them.
