Effective in the  
2022-2023 school year,  
Hale Junior High School  
will become a middle school  
serving grades 6-8.

## HALE MIDDLE SCHOOL STUDENTS CAN:

- Participate in high-quality after-school activities through the Opportunity Project;
- Earn high school course credits; and
- Learn in a supportive, caring, and safe learning community.

# HALE MIDDLE SCHOOL

At Hale Middle School, we focus on creating great learning experiences through our core values of respect, accountability, and perseverance. In addition to strong academic programming, we offer many elective courses including choir, band, orchestra, Spanish, and technology. Our 21st century learners engage in a digital curriculum in both math and English, allowing them to explore traditional learning in new and exciting ways. Currently, we also offer more than 17 after school clubs for students to attend.

# EXPLORATORY CLASSES

Hale Middle School offers all students the opportunity to experience orchestra, band, choir, Spanish, technology, PE, and art. Students will learn the fundamental knowledge of these various exploratory classes. Students will be able to continue to study their choice of exploratory classes as they progress through their Hale Middle School experience.

Thank you Tulsa for investing in every child and every school!

Because of you, every child in our district will see, feel, and experience the benefits of the 2021 Bond package. Tulsans have made a five-year \$414 million investment in safe and accessible schools; state-of-the-art educational technology; sustainable student transportation; and rigorous, engaging, and culturally sustaining learning experiences that prepare students for success in college and careers.

## At Hale Middle School, the 2021 Bond for Tulsa Public Schools includes:

- » Redesigning the school's entrance to improve security and safety while ensuring a welcoming environment for students and families;
- » Funding repairs to the parking lot and sidewalks and the installation of new exterior lighting;
- » Upgrading the auditorium lighting and sound system and providing new stage curtains; and
- » Remodeling the school's science labs and investing in STEM equipment.
