STUDENTS WORK ON GALA ART PROJECTS!

One of the highlights of every gala is the gallery display of class projects. Again this year, we are inspired and awe-struck by these beautiful works of art from students created with the help of teachers, gala project coordinators, and parents. Thank you for all the love and hard work that went into each piece. We can't wait to proudly display them for viewing at gala. While only one lucky bidder will take home their class' piece at live auction, each work will be photographed and printed in the keepsake program.
