For nearly 60 years, A Better Chance has been working to make our mission a reality—to foster the leaders of color our nation desperately needs. Through our incredible mission, the lives of over 17,000 people of color have been forever transformed, empowering students to become forces of change and progress in our society.
Dear A Better Chance Community,

The last year was a pivotal moment in A Better Chance’s history. The organization welcomed us into our new leadership positions just weeks before the full impact of the pandemic came into sharp focus. In addition to a deadly virus, the events of 2020 renewed the call to our nation to take meaningful and sustained action to create a more just and equitable world. These urgent times required A Better Chance to move with speed and intention. Our goal was to navigate the extraordinary challenges of the present, while also beginning to chart a path to a sustainable future. In 2020:

• A Better Chance was able to realize its first surplus in 6 years, exercising prudent financial management while garnering the resources necessary to fuel its life-changing work.
• The Programs team shifted to virtual programming, ensuring programmatic continuity for our Cohort and Scholars while finding new opportunities to engage, connect and support our Alumni and Parent communities.
• As the world was quickly changing around us, A Better Chance took significant steps towards reorganizing its programmatic structure to better reflect and support our Cohort students, Scholars, and Alumni during key milestones in their journey with an emphasis on college and careers. We believe more than ever that A Better Chance is uniquely positioned to serve as a partner in addressing disparities in access and leadership for communities of color.

While this is only the beginning of the work ahead, an annual report provides a vital opportunity to pause and reflect on the prior year with immense gratitude. Thank you for the gifts of time, talent and treasure, both from new friends and steadfast donors. The support of our Member Schools, corporate partners, and donors makes the transformative work of A Better Chance possible.

As you review the annual report and our impact over the last year, we hope you share our pride for what we have been able to accomplish to date. We look forward to your continued partnership and support as we continue our work to help talented, high-achieving children of color reach their full potential.

In service,

Francisco Tezén, President and CEO
Theo Killion ’78, Board Chair
First, we have to thank our Scholars and their parents. Today in a world that so urgently requires resilience, your achievements represent hope to your families, our communities, and generations of students to come.

Because of this resilience, we have many achievements from 2020 to report, including:

- We placed **525 Scholars** at **207 Member Schools**;
- The Preparation and Success Team developed a new bi-monthly **Office Hours** program to give students the opportunity for assistance during the admissions process. Our ability to adapt to a hybrid style, enabled us to offer this virtually across the nation;
- **Member School Fair**: 165 Members Schools participated in the inaugural event allowing students to attend sessions held by each school and get to know their prospective educators;
- **410 students** and **100 volunteers** participated in **Interview Days** to prepare our students for private school interviews;
- **550+ parents/families** attended a financial aid series aimed at helping families maximize their financial aid awards; and
- We began **A Better Chance Scholar Townhalls**, which provide Scholars the chance to connect directly with A Better Chance leadership. **Over 600 people registered** for the first event and this success has continued to be evident in 2021.

Thanks to the successes of 2020, we were able to set ambitious goals for 2021, including:

- Maintain our 200+ Member Schools relationships;
- Continue to drive virtual programing and optimize hybrid programing;
- Build in supports for Alumni as they go through college and seek out internships or post graduate opportunities;
- Drive career readiness programming, like **Career Fair** (March 2020), attended by over **1,000 Scholars**;
- Implement a new database system to support Scholars and Alumni alike; and more!

As we march towards our 60th anniversary in 2023, we are resolute in continuing to improve the support we provide to Scholars, families, and Alumni.

Sincerely,

Ben Bingman-Tennant, National Director of Programs
Although our reach spans the country, A Better Chance’s devoted team is based in our NYC headquarters. Our Scholars primarily hail from metropolitan areas around the country, including Atlanta, Philadelphia, Washington DC, New York, Boston, Los Angeles, San Francisco and Chicago.

We are so grateful for all we can accomplish with the support of our 700 volunteers, made up of Scholars, parents and families, Alumni, school leaders, and A Better Chance community members. Additionally, we are indebted to our corporate partners, such as Xerox, Morgan Stanley, and Capital One, to name a few. Without these partnerships, our work would not be possible.

Founded in 1963 • Recruits students of color in grades 4 through 9 • Only national organization of its kind

**VOLUNTEERS EXTEND OUR CAPACITY**

We are so grateful for all we can accomplish with the support of our 700 volunteers, made up of Scholars, parents and families, Alumni, school leaders, and A Better Chance community members. Additionally, we are indebted to our corporate partners, such as Xerox, Morgan Stanley, and Capital One, to name a few. Without these partnerships, our work would not be possible.
2020 MEMBER SCHOOLS

We could not complete our mission without the partnership of our Member Schools. In 2020 our Member Schools leveraged over $18.5 million in financial aid for A Better Chance Scholars. We thank you for your on-going friendship and shared work in our mission.

O UR REACH

O UR REACH
A Better Chance is proud of our longstanding union with our Affiliated Colleges program partners. We thank the following colleges and universities that partnered with us during the 2019-2020 academic year for their dedication to diversity and expanding educational opportunities. These institutions equipped our Scholars with fundamental supports and resources, such as admission workshops and application fee waivers, to aid them in the application and college selection process, and additional considerations in areas such as financial aid.

Without our supporters, donors, and partners, A Better Chance would not be able to continue our life-changing work. Throughout the 2020 fiscal year, our community of Alumni, friends, and institutional and corporate partners have kept A Better Chance thriving. Thank you for your continued commitment to the futures of our incredible and talented Scholars!

OUR SUPPORTERS

YASMINE YAFFIER-WILLIAMS
Wellesley A Better Chance, 2020
American University, 2024

“If it were not for A Better Chance accepting me into the program and providing me with a chance to attend Wellesley High School, I would not have had the experiences that have cultivated me to become a strong, outspoken, Black woman. As I pursue the next four years of study at American University, I am committed to continuing to grow as a leader — setting examples through my academic achievement, my voice that champions social justice, and my commitment to equity for all.”
1963 SOCIETY SUPPORTERS

Introduced in 2016, the 1963 Society recognizes donors who contribute annually $5,000 or more. 1963 was a year of significance for the Civil Rights movement and the origins of our organization. In the summer of 1963, 23 headmasters of selective independent schools decided to come together, unified and resolute to change the profiles and compositions of their student bodies. A year later, 55 African American ninth and tenth graders gathered at Dartmouth College for an eight-week preparatory tutorial to enter private schools. Known then as PROJECT ABC: A Better Chance, the program became a mighty success. Today, A Better Chance continues in that pursuit with our mission to increase substantially the number of well-educated young people of color who are capable of assuming positions of responsibility and leadership in American society.

DREAMBUILDER SUPPORTERS

Established in 2008, members of the DreamBuilder society are individuals who invested in our Scholars by donating at least $1,200 last year. This respected group of annual fund donors works hand-in-hand with A Better Chance to pave the way for our talented young students of color on their path in the leadership pipeline.

Our Supporters

We announced a brand new virtual monthlong series, Creating Leaders for a Lifetime, in response to the cancellation of our in-person 2020 A Better Chance Annual Awards Luncheon. This series consisted of three components: Alumni Showcase, Virtual Auction and Virtual Luncheon.
From interviewing skills to job shadowing, internships, and exposure to career pathways, we rely on our institutional supporters and their volunteers to extend our reach and prepare our students for life after high school.

THE RON AND MARY PRESSMAN CONTINUOUS GIVING SOCIETY

Named in honor of A Better Chance former Chairman, Ron Pressman, and his wife Mary, the Ron and Mary Pressman Continuous Giving Society was created as a tribute to their outstanding dedication to service. They have shared an energy and spirit of making a lasting impact on access to high-quality education for young people of color for over two decades with Ron serving on our National Board of Directors from 2003 – 2016. The members of this group of individuals and organizations embody the spirit of Ron and Mary by staunchly supporting A Better Chance for three or more consecutive years.

THE RON AND MARY PRESSMAN CONTINUOUS GIVING SOCIETY

THANK YOU

Motivated by a sincere belief in the power of our program to transform lives, A Better Chance supporters helped us meet the challenges of 2020 by donating more than $3 million and more than $2.9 million thus far in 2021.

Extraordinarily generous gifts from donors in 2020 including Capital One, Xerox, Morgan Stanley, and Peter Atkins, to name a few, provided critical funding in a time of upheaval and uncertainty. To those donors on this list, we offer our humble thanks for investing in our Scholars and Alumni.

---

Our work simply would not be possible without the above-and-beyond efforts of our incredibly hard-working volunteer National Board of Directors and National Advisory Council.
After an extensive search Francisco Tezén took the helm in February of 2020 as A Better Chance’s President and CEO. He brought over two decades of non-profit leadership experience to our organization combined with a deep and personal connection to our mission and work. Additionally, seven new Board members joined A Better Chance in 2020: Ekene Ezulike, Tayo Famakinwa, Rob Fullerton, Gerald Keefe, Tracey Koziol, Allison Lawrence and Star McDade.

More recently, Karen Johns was appointed the Director of External Affairs and will take on leading donor and alumni engagement as well as broad communications work.

We were sad to see Maly Bernstein depart the Board due to professional commitments, but we thank her for her service and appreciate her continued partnership and support in other ways.
SUPPORT
A BETTER CHANCE

Thanks to the generosity of supporters like you, A Better Chance has been able to continue the hard work of making our mission a reality. In 2020, we accomplished so much, placing over 500 new Scholars and making yet another year where 99% of our seniors matriculated into college.

Yet, like many organizations, A Better Chance relies on the investments of our community to perform our critical work. Since 1963, over 17,000 students graduated from one of our Member Schools and went on to become leaders and changemakers in our society. It is through the dedication of our donors and partners that these results are possible.

We need your support to continue opening the doors to opportunity for talented young students of color nationwide. Please join the hundreds who donate to A Better Chance each year and make our life-changing work possible. Your gifts will ensure the powerful promises and advancements of A Better Chance can continue for many years to come.

Help us secure the future of A Better Chance and our leaders to come. To donate, please visit us at www.abetterchance.org or call 646.346.1310.
