- All applications must be submitted using the online application system. If the student is currently attending a Tulsa Public School or has attended in the past, it is very helpful to have their student TPS ID number (lunch number) for the application process. If you need more information about how to obtain your student’s ID number contact your current school or call the TPS Enrollment Center at 918-746-7500 or email: enroll@tulsaschools.org
- The district determines available spaces for transfers using capacity, forecast, and allocations.
- An electronic lottery matching process is used to select students for each grade level with space available using a quadrant-based system.
- Required documents are, copies of:
 1. The guardian’s state issued ID
 2. The guardian’s proof of residency
 3. The student’s birth certificate and immunization records. **The enrollment team can assist you if you have special circumstances, please call us at 918-746-7500 or email us at enroll@tulsaschools.org for more information. Documents should be attached to the application. *If the student is a current Tulsa Public Schools’ student a birth certificate is not needed.***
- **Required documents for non-TPS applicants also include:**
 1. **final transcripts or report cards for the 20-21 SY and the first semester of this school year – these will be used to calculate the student’s GPA**
 2. **Normed test scores over the previous two semesters**
 3. **Discipline records from the 2nd semester of 20-21 and 1st semester of the current school year, if there are no discipline records a letter from the school administrator documenting this will need to be provided**
- All students may submit applications for up to six schools including neighborhood, charter, and magnet schools. It is important to rank your schools with the most desired school as your first choice and so on. You do not need to select six schools. If you want to remain at your current neighborhood, charter or magnet school you do not need to apply as you will have a guaranteed seat.

- Applications are prioritized in the following order for all students who meet the criteria:
 1. Applicants residing in the historical Booker T Washington School area and any applicant from Carver Middle School provided they meet the criteria
 2. Applicants will then be rank ordered based on their rubric score
- Students will be auto accepted at their highest ranked matched school and placed on the waitlist for higher ranked non-matched schools.
- The principal discretion process is the only means by which admission is allowed for out-of-district applicants unless there are no in-district students on any waitlist.
- Applications must be submitted online by the deadline to be eligible for consideration. The online system will notify you via email when the application has been submitted. If you do not have access to email or need assistance, please call 918-746-7500 or contact your current school.
- Due to the COVID 19 pandemic and other factors the criteria for the 2022-2023 school year have been updated to provide equitable opportunities for all students.
