

Inclement Weather Procedures for Hampstead Elementary School

Please Post! (On your refrigerator, bulletin board, wherever you can easily access this information.)

Parents can keep youngsters safe by arranging emergency back up care. Children should be taught what to do and where to go when schools close unexpectedly and parents/guardians are not home. Parents are urged **NOT to call the school** to inquire about school closings during winter weather. The influx of phone calls to the school hampers our ability to complete tasks necessary to accommodate for revised schedules and the handling of any emergencies.
