

PRINCIPAL'S UPDATE DECEMBER 20, 2021

Happenings Around Mitchell

CAST parents, please update your teachers with the dismissal plan for your children for Thursday, 12/23 (CAST is closed starting at 1pm on 12/23).

Hello Mitchell Families!

I cannot believe how fast the time has gone since Thanksgiving and that are Winter break is upon us!! First I want to wish you all a healthy relaxing break and if you do celebrate a holiday a Happy Holiday! This week is quiet a busy week with festive hat day, sing-alongs, laser light shows and pajama day to name a few. I will include some pictures in my next update after the break. Just a couple of gentle reminders for the beginning of the next part of our school year:

1. Please remember in the mornings if you are dropping off to stay in the line and drop your students off in the back parking lot. This is for all of our students and staff safety.
2. With the recent uptake in Covid cases please remember to keep your child home if they are showing signs and be in contact with us regarding absences due to illness.
3. Please remember to try to call before 11:00 am with any dismissal changes and to also send it to MTaylor and the classroom teacher in an email.

Just a short note about the 5th grade play - Due to circumstances beyond our control it has been postponed till Jan 14th at 4:15 for all parents of students who are participating in the play. It will also be recorded and put up on the website.

See what is going on with Mitchell this past trimester with the Mitchell Montage.
