Open Forum

- Low parent and staff participation this year in the PTO. It was a hard year with the board doing most of the work. Reasons? Active participants aged out? Next year activities may have to be cut if there isn't help to plan them
- New Spirit Wear Vendor. Mike Wink's friend. Big Dipper Graphics. All online (and delivered directly to student homes?). Based out of Eldersburg. Kim L. and Jen L will team up for the sale in the fall,
- Cancel/renew Dropbox by 6/10 or it will renew automatically
- Chris Hart will continue to DJ events next year even though he's "graduated"
- No Website for PTO. Use Facebook instead. Meeting Minutes get sent to John Code.
- Idea for more participation—Each grade level (families) pledge to volunteer at a different event.
- Need more communication and confirmation up-front about securing volunteers

IX. Adjournment at 7:38pm
