B. Principal's Report: Six additional computers were purchased taking the total to 150 laptops in school which is 1 cart of computers per grade level. Teachers are very grateful for gift cards that were given. Everyone is excited for the partnership of the teachers and parents. Last year there was a focus on empowering teachers and kids and the hard work paid off. (Can you add the numbers/data Katie shared? I couldn't keep up)

V. Community Advisory Council representative for our school is Shelley Paterno. She attended the county meeting recently and shared the following: There is currently a survey out on the Winfield PTO page on Facebook that the county is encouraging parents to participate in. The calendar for the 20/21 school year. Labor Day is 9/6/2020 the decision needs to be made as to whether to continue with the post-Labor Day start, as it is no longer a state mandate. Parents should also "Like" CCPS on Facebook to hear regular reports. This council or CAC is a forum for any issues parents have. Questions and comments should be directed to Shelley.
