### **Gifts/Awards From The Board of Education**

Each year the Board of Education (Board) may consider giving a financial award to one or more individuals for excellence in classroom teaching or in other assigned tasks or in the quality and extent of their volunteer work for Amity Regional School District No. 5 (ARSD). All employees are eligible for consideration.

Nominations for the award(s) may be made by anyone.

The Board shall consider nominations based upon the recommendation of the Superintendent and the following:

1. Availability of funds from current budget; and
2. Recommendations from persons in a position to evaluate the qualifications and achievements.

Normally the Board would make any such award near the end of the academic year at a public ceremony, usually one called for another purpose.

In no event will the same individual receive such award more than once in any five-year period.

The Board's deliberations respecting such award are deemed personnel matters.
