

Granada Hills Charter

COVID BASE LINE TEST REQUIRED TO RETURN TO IN-PERSON LEARNING ON JANUARY 11, 2022

In light of the spread of the SARS-CoV-2 Omicron variant, we will be requiring all GHC students who are attending in-person learning to take a COVID-19 baseline PCR test before the start of the 2022 spring semester.

Students may take a PCR test outside of school and submit the results to the Covid Response Team (covidresponse@ghctk12.com). The PCR test must be taken no earlier than January 5, 2022. It must be submitted by January 10, 2022, to ensure that your student will be cleared to return to campus on January 11, 2022, the first day of the Spring semester. Should students choose this option, it is recommended that students bring a physical copy of their negative PCR test results on January 11

Zelzah
Campus

January 5-January 8
9:00 a.m. to 4:00 p.m.
No Appointment Necessary
Testing is Free
