Math Race Winners

Mrs. Gabbard's Kindergarten Class began a math race game. Students have to be able to write their numbers 0-20 in 3 minutes. The class had 6 students who won in the math race. Please study recognizing numbers 0-20 with your child each night. Thanks for all your support.

Student Field Trips

Visit to UK Pumpkin Patch

On September 28th, Mrs. Noble's and Mrs. Bonnie's class (pictured above) and Mrs. Barb's and Mrs. Denise's class visited attended Pumpkin Day at Robinson Center. Activities included: pumpkin games, coloring stations, pumpkin tasting, story time and each child will pick their own pumpkin. A fun time was had by all who attended.

Planetarium Tour

On Tuesday, October 4th, the Mr. Turner's and Mrs. Fugate's classes were able to attend a program at the Hummel Planetarium on the EKU campus. This exciting learning experience explained the lifecycle of the stars and showed the students the mysteries of space. A delicious meal at The Golden Corral followed the visit. This fun filled day was provided by Gear Up and the class enjoyed it a lot. Thanks to Alonzo Fugate and his staff for making this possible.

Cold and Flu Season Ahead

How serious is the flu?

Flu illness can vary from mild to severe. While the flu can be serious even in people who are otherwise healthy, it can be especially dangerous for young children and children of any age who have certain long-term health conditions, including asthma.

What are the symptoms of the flu?

Symptoms of the flu can include fever, cough, sore throat, runny or stuffy nose, body aches, headache, chills, fatigue and sometimes vomiting and diarrhea.

How does the flu spread?

Flu viruses spread mainly by droplets made when people with the flu cough, sneeze or talk. These droplets can land in the mouths or noses of people who are nearby. Less often, a person might get the flu by touching something that has flu virus on it and then touching their own mouth, nose or eyes. People with the flu may be able to infect others from 1 day before getting sick to 5 to 7 days after.

When can my child go back to school?

Keep your child home from school for at least 24 hours after their fever is gone with out medicine.

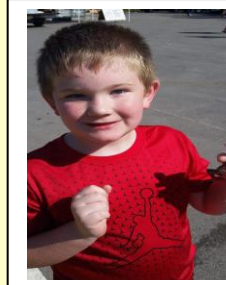

A fever is defined as 100 F or higher.

Arts & Humanities with Mr. Hollon

The class has been working on an Owl Project, the letter 'O' and Who am I? They enjoyed learning about the element of art-shape.

4-H Pet Show

Gavyn and Chase, his lizard won 1st runner up in the Pet Demonstration category.

Dress a Pumpkin

Senior Citizens Center is sponsoring a contest for the best dressed pumpkin. The pumpkins can be carved, painted or dressed up in some creative way. The student's name and school need to be attached to the back of the pumpkin. They can be dropped off at the Breathitt Senior Citizen's Center on Broadway in Jackson on October 26, 27 or 28. Judging will be held on Monday, October 31st.

1st Place \$100.00

2nd Place \$75.00

3rd Place \$50.00
