## Mrs. Strong's 5/6th grade class has worked hard

to get back on track after several inclement weather days. We have been learning about the winter Olympics and researched and represented Poland in our school Olympic opening ceremony. We have continued to work towards making progress in all subjects especially math and reading. Madi Strong is our most recent student to master 5th grade math skills in the ALEKS math program. We would like to congratulate Jaden Caudill for 100 days of perfect attendance! He is setting a great example for consistent, good attendance that we hope all students will follow!

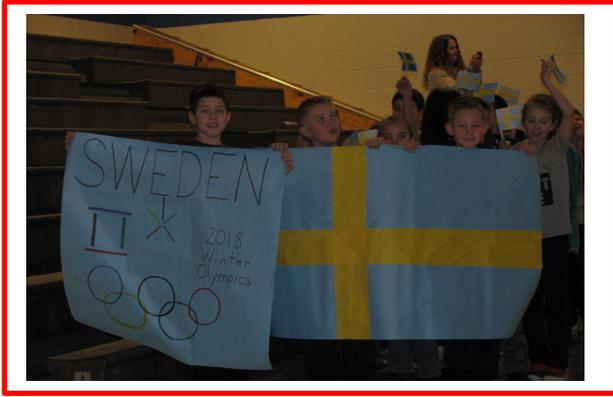

## Mrs. Faith's Preschool

Caleb Griffin, Elly Noble, Madison Wade and Azarya Martin won awards for writing their first name and Jensen Johnson won an award for counting to 100.

Case Griffin and Mahayla Mullins won awards for identifying all upper-case letters.
