December 2018

## Principal's Message

I would like to thank all of our students and staff for all of the hard work they have put in during the first semester of school. I would like to wish everyone a very Merry Christmas and a Happy New year. I hope that everyone takes time to enjoy their families and get some rest so they will be energized and read to get back to work in January. We made great strides last year and look to continue moving forward with everyone giving their best effort.

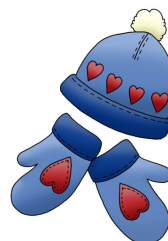

Conservation Clubhouse  
KY Touchstone Energy Cooperative visited the 4<sup>th</sup> grade at MRC. They brought reptiles and amphibians that are native to KY. The students loved the snakes, frogs and salamanders.
