RPS 205 families,

Thank you again for your patience and cooperation as we continue to work through a nationwide bus driver and staff shortage. **At this time, we are planning to provide transportation in January to all eligible students on our bus routes.**

With the ongoing pandemic and quarantine guidelines, it's possible our staff numbers will change. We are hopeful, however, that interruptions will be limited. We will continue to monitor our staffing levels over winter break. While we don't want to cancel routes last-minute, that's still an unfortunate possibility.

We will share more information and updates, as needed. Thank you again for your support through this difficult time.

Sincerely,

Mike Slife, RPS 205 Executive Director of Transportation
Mike Phillips, RPS 205 Chief Operations Officer

Familia la RPS 205,

Asante tena kwa uvumilivu na ushirikiano wenu wakati tunapoendelea kushughulikia tatizo ya upungufu wa madereva na wafanyakazi wa basi nchi nzima. **Kwa wakati huu, tunapanga kutoa usafiri mnamo Januari kwa wanafunzi wote wanaostahiki kwenye njia zetu za basi.**

Kufuatana na miongozo kuhusu na janga na karantini inayoendelea, inawezekana idadi ya wafanyakazi wetu itabadilika. Tunamatumahini, hata hivyo, kama usumbufu wa basi utakuwa mdogo. Tutaendelea kufuatilia viwango vya wafanyakazi wetu wakati wa mapumziko ya baridi. Ingawa hatutaki kughairi njia za basi dakika ya mwisho, hilo bado ni jambo la kusikitisha.

Tutaendelea kugawanya habari zaidi na mpya kama inahitajika. Asente tena kwa sapoti yenu katika kipindi hiki kigumu.

Kwa dhati,

Mike Slife, RPS 205 Executive Director of Transportation
Mike Phillips, RPS 205 Chief Operations Officer
