Kindergarten/Young 5 Waiver Request for 2022-2023 School Year

According to Michigan Law Section 6(4)(l)(iii) of the State School Aid Act (MCL 388.1606) provides that if a child does not meet the minimum age requirement to be eligible to attend school for that school year under Section 1147, but will be 5 years of age not later than December 1 of that school year, the district may enroll the child for that school year if the parent or legal guardian has notified the district in writing that he or she intends to enroll the child in kindergarten/young 5 for that school year.

A school district that receives this written notification may make a recommendation to the parent or legal guardian that the child is not ready to enroll in kindergarten/young 5 due to the child's age or other factors. However, regardless of this recommendation, the parent or legal guardian retains the sole discretion to determine whether or not to enroll the child in kindergarten/young 5.
