

EASTERN LANCASTER COUNTY SCHOOL DISTRICT

EMPOWERING LEARNERS AS GLOBAL THINKERS AND PRODUCERS

December 23, 2021

Dear Parents, Guardians, and Community-at-large,

The information below will update you on the current Covid-19 conditions at Eastern Lancaster County School District. Currently our case counts are as follows: *(as of Thursday, 12/23/2021 12:05 p.m.)*

Blue Ball Elementary

Total 2 positive cases – 1 staff, 1 learner (2 in the building during infectious period)

Brecknock Elementary

Total 5 positive cases - 2 staff, 3 learners (4 in the building during infectious period)

New Holland Elementary

Total 8 positive cases - 4 staff, 4 learners (7 in the building during infectious period)

Garden Spot Secondary Campus (7-12)

Total 11 positive cases – 6 staff, 5 learners (11 in the building during infectious period)

We will continue to monitor our Covid-19 case numbers and will do our best to communicate with you as conditions change in the District. As you know, we had to switch to virtual learning at our Secondary Campus on December 23 because we did not have enough adults to safely conduct learning in person. We plan to do our best to avoid virtual learning, but we may occasionally have to make that switch in the coming months. We continue to need assistance in multiple support staff and substitute teacher positions. Please consider joining our family!

I wish all health and safety during the Holiday season and best wishes for the New Year.

Most Respectfully,

Robert M. Hollister, Ed.D.
Superintendent of Schools
