EMPOWERING LEARNERS AS GLOBAL THINKERS AND PRODUCERS

September 14, 2021

Dear Parents, Guardians, and Community-at-large,

Last evening, September 13, 2021, the Eastern Lancaster County School District School Board of Directors made a change to the 2021-2022 Health & Safety Plan that permits parents to write an excuse exempting their children from mask wearing. In order for families to take advantage of this procedure, they must utilize the official district form that can be found on the District website under [COVID-19 Updates/Resources](#), or a hard copy may be picked up in Building Offices. The School District must be in possession of this form before a learner may remove his or her mask on the premises.

Sincerely,

Thomas E. Wentzel  
President  
Eastern Lancaster County School District  
School Board of Directors
