A message from the **PRESIDENT**

Dear Alumni and Friends of Central Catholic:

Here on campus, we spend our time working with young people, intent on making our world a better place and carrying the crucial mission of Central Catholic into the future. Occasionally, though, we pause to look back and celebrate the richness of our history and the events that have helped shape who we are, and who we strive to be. There are, of course, many important moments in the journey of Central Catholic, starting always with the foresight of our beloved founder, Br. Florentius. As Central legend, Mr. Warren Hayes '54 – who sadly passed away in June 2021 – said in his book, Honorable Mentions: A Central Catholic High School Retrospect:

"It was Florentius who had the faith, the charm, and the political savvy to harness the social and political forces necessary to get things going. He cajoled, borrowed, leased, and prayed his way (and) The fruit of his labor still flourishes."

Since that time, Central has enjoyed myriad successes and celebrated countless historical events. None, however, better reflect Florentius' vision and legacy than the decision, in 1993, by Br. Rick Carey and the Board of Directors for Central Catholic to open its doors for young women. In September of 1995, when the Class of 1999 became our first coeducational freshman class, and the classes of 1996, 1997 and 1998 welcomed the young women from St. Mary's High School and a few legacy transfers, we became a better school. Most recently, we've also welcomed students and alumni from Presentation of Mary Academy to join the CCHS family.

It is impossible to walk our halls today and not feel the immediate impact and wisdom of that decision. A Central Catholic education is meant to reflect the world in which we want to live – just, collaborative, and a place where all our students are affirmed and respected for who they are and their capacity to learn and achieve.

I hope you enjoy reading some of the reflections of this momentous time at Central Catholic. It is more than appropriate that my friend and colleague, Ms. Jeanne Burns, our Academic Dean, share her thoughts in these pages. Jeanne is, herself, a Central legend, and worked tirelessly then, and works tirelessly now, to advocate for all our students. Her impact on the decision to become a coeducational institution, and her work to ensure a successful transition will never be fully appreciated.

I referenced Warren Hayes' historical retrospective earlier, and I return to it now. Warren completed and published his book in the spring of 1995, just prior to the start of coeducation at Central. His final words in that book are both appropriate and prophetic:

"It is fitting that the last words of this brief historical review should be devoted to women. Their presence as students and teachers will contribute to the completeness of each man's and each woman's understanding of one another."

Thank you for your constant support of Central Catholic, our students and our mission.

In Christ's Love,

Christopher F. Sullivan '81 – President

Celebrating 25 YEARS OF COEDUCATION

Special Emblem Contributor: Ms. Jeanne Burns, CCHS Assistant Principal, Academic Dean

In the musical ***Rent***,
there is a song that
asks ***“In five hundred
twenty-five thousand
six hundred minutes, how
do you measure a year?”***

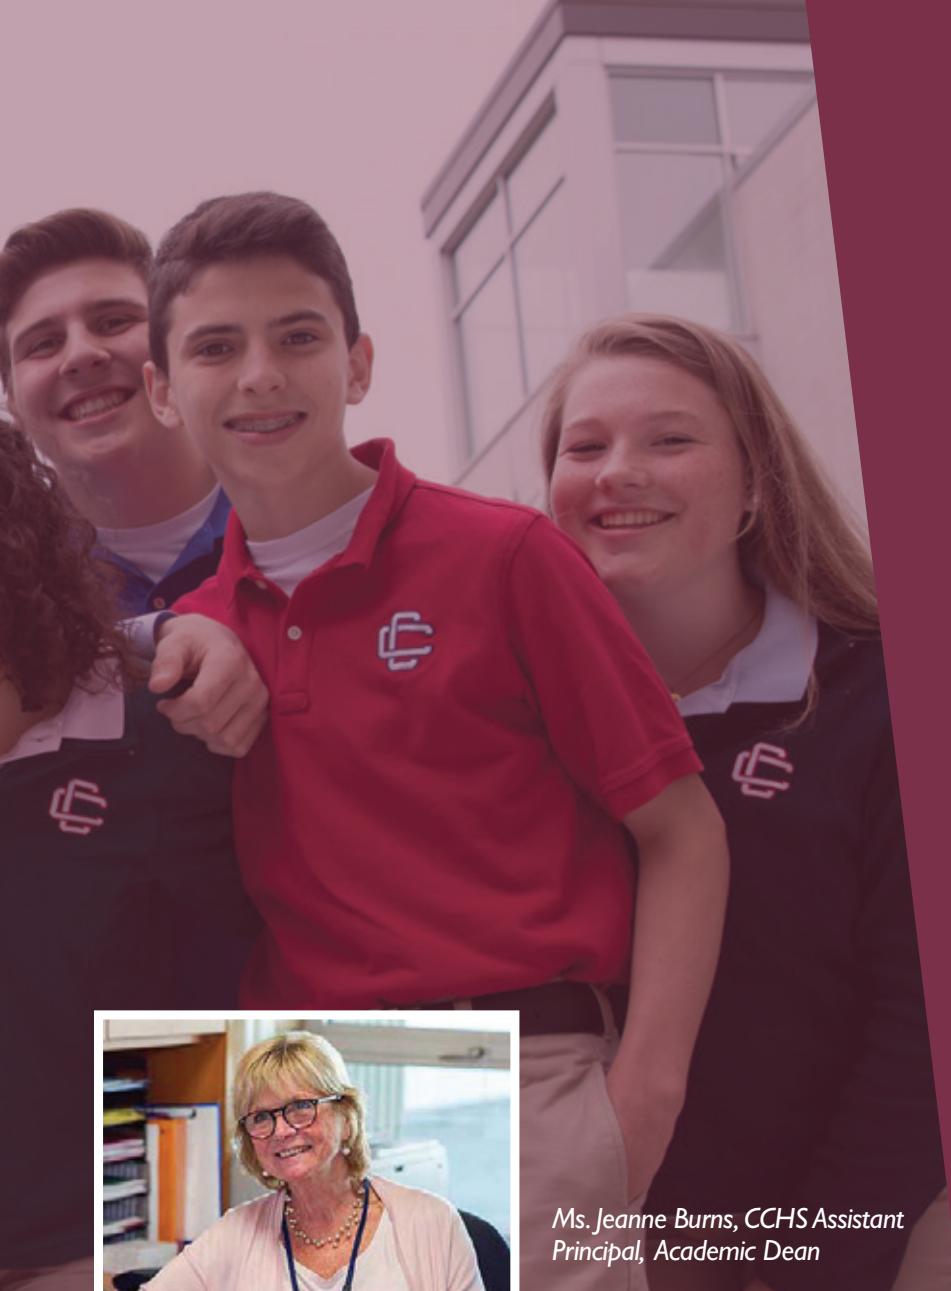

Today, ***“in the midst of
Lawrence city, at the school
we love”***, how do we measure
the past twenty five years?

*With three thousand two hundred thirty four female graduates
With three thousand seven hundred ninety one male graduates
With seven thousand twenty five lives that have been forever changed
How do you measure success?*

*In friendships, in relationships, in marriages and legacies
In classrooms, in activities, in athletics and retreats
In good times, in hard times, in laughter and tears*

*In their achievements
In their service to others
In their care and respect for all people
In their willingness to share and be witness to God’s love*

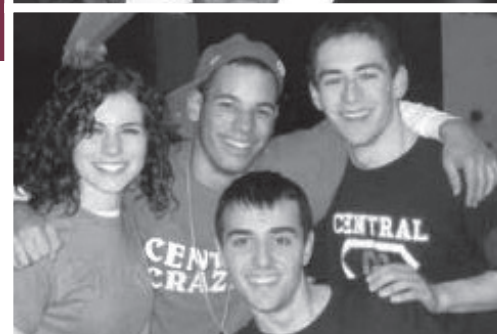

*It’s time to shout out
The stories continue to grow
It’s time to celebrate twenty five years of coeducation
at Central Catholic*

Ms. Jeanne Burns, CCHS Assistant Principal, Academic Dean

In 1993, the Board of Directors of Central Catholic made a critical decision to chart a new course for the future of Central Catholic. In a proactive response to the many changes and challenges that the twenty-first century was going to present, and to a variety of demographic changes taking place in the Merrimack Valley and Greater Lawrence communities, the Board voted to make Central Catholic High School a coeducational institution.

Principal from 1991-1999, Br. Richard Carey and a team of educators and board members from Central Catholic and St. Mary's embarked on a three-year journey to plan and prepare for the creation of a coeducational school. According to Br. Rick, *"It was more than facilities and physical accommodations that needed to change. The mission and mindset needed a reset. The curriculum, activities and school leadership also needed to reflect the diversity of the school's future population."*

On a beautiful fall morning in September of 1996, Central Catholic opened its doors to young men and women for the first time in school history. These students would go on to create and establish new traditions and histories that were grounded in the belief that coeducation was a more realistic way to educate students for a future in a diverse community.

I (Jeanne Burns) have been blessed with the privilege of serving Central Catholic for almost an equal amount of time in both the world of an all male school and a coeducational school. Given that perspective, I want to share with you some of the reasons why we need to shout out and celebrate the success of twenty five years of coeducation.

One of the greatest outcomes has been the opportunity for students to develop a more diverse network of friends, thus providing a foundation for more respectful and realistic relationships in later life. High school is not just about dating. In the classroom and in activities, our students are able to explore, debate and think critically about many topics and ideas. Regardless of the gender of the audience, the students become more comfortable and confident expressing their views.

During these formative years, students learn to accept and embrace differences and similarities and recognize everyone has value and can learn from one another. Over the years, gender misconceptions and stereotypes have lessened and students have a deeper understanding and support for all their classmates. On both an intellectual and social level, students are able to experience the unique perspectives of a more diverse population and are able to grow a better understanding and ability to work and live in a culture of inclusivity.

Alumni who graduated prior to 1997 and have children who have graduated post 1997 often state that, because of a coeducational environment, their children are better prepared to go on to college and professional careers and vocations. They attribute their children's success to the growth of respect for individual differences and with their child's enhanced confidence and positive self image that developed over their years at Central Catholic. As Plato declared over a thousand years ago, "coeducation creates comradeship."

Our celebration of the success of twenty five years of coeducation would not be possible without the vision and work of many men and women who served with me on the Coeducation Committee. We are grateful to **Sr. Mary Farren, Sr. Judith Cooper, Sr. Mary Jude, Ms. Denise Horan, Ms. Patricia Palermo, Br. Richard Carey, Br. William Lambert, Mr. James Martin, Mr. Robert King, Mr. Laurence Rossi '64, Mr. Michael Morris '59, Mr. David DeFillippo '66, Mr. William Cowie '59, and Mr. Christopher Sullivan '81**. We are also grateful to all the faculty and staff who have carried this mission forward and have provided loving and caring role models for all our young men and women.

The stories continue to grow!
It's time to celebrate 25 years of coeducation!

Half a Century in the Spotlight – **THEATRE GUILD** **URNS 50!**

Over five decades and over 200 performances starring thousands of students and proud faculty, staff and alumni, Theatre Guild continues to entertain the masses year after year... even during a global pandemic.

1967 Theatre Guild Performance

The Debut of **THEATRE GUILD**

In 1971, an eager group of Raider theater enthusiasts performed “Ten Little Indians” – a performance that kicked off Central Catholic’s journey to establish a dedicated theatre group.

It wasn’t until 1972 when the performance group was officially dubbed Theatre Guild, after CCHS alumnus **Mr. Thomas A. Kirkman ’60** (formerly Brother) was asked by then CCHS Principal Br. William Lambert if he’d be interested in working with a group of students to start a theatre program. Tom eagerly accepted! Br. John Murray agreed to be the Technical Director and he gathered a group of students to build sets.

The Theatre Guild’s debut production was “See How They Run,” and by springtime, the group was ready to move on to musicals with “Guys and Dolls.” Central – as an all-boys

school at the time - had plenty of male actors to play the role of ‘Guys’, but finding female students for the ‘Dolls’ took a bit more effort.

“I made appointments with the principals of the local girls’ schools to ask if they would be willing to announce our productions and invite their students to audition as well,” said Tom.

The sets were built on the ground floor of the original building, and theatre lighting was minimal, so the on-off light switch worked to end an act or scene. *“In time, we were able to borrow lighting items from the gym stage, and props from around campus or donated materials. For the most part, the cast provided their own costumes,”* said Tom, who served as Theatre Guild Director through 1978 and directed 11 productions.

THEATRE GUILD has come a long way since the 1970s!

Ms. Karen Moynihan '69SM, former Chair of the CCHS English Department, served as a longtime, much-beloved Director of Theatre Guild. She worked with scores of students, directing over 30 shows, including 11 musicals. The 45th season of Theatre Guild was dedicated to Karen's dedication to transforming the growing program.

Since 2004, **Mrs. Sharman Merrill '87SM**, a faculty member in the English Department, has served as Director of Theatre Guild, but this isn't the first time she found herself on the Central stage. As a student at St. Mary's High School, Sharman participated in three shows when CCHS asked for female participants.

"That's when I met the incomparable Karen Moynihan and fell in love with the CCHS Theatre Guild," said Sharman.

To date, Sharman has directed 26 shows and co-directed six shows with **Mr. Matthew Joyal '08**, who became co-director of Theatre Guild in 2017. She has also written six original productions, including the script for *A Year with Roxane* - Central's first original musical, which featured songs written by Matthew Joyal.

"I believe it's important for students to be exposed to the Arts in all forms, which gives students a safe place to be themselves and a chance to explore their creativity," said Sharman. *"Theatre, in particular, provides opportunities for actors, dancers, singers, painters, designers, and makeup artists to share their talents by telling stories that can be funny or tragic, silly or profound."*

In addition to the incredible talents of Sharman and Matthew, Theatre Guild features a dedicated group of talented faculty and staff members including **Mr. Andrew Murray** and **Mr. Mark Svendsen** as Co-Technical Directors, **Mrs. Christine (Leonard) Thompson '06** as Assistant Director and Choreographer, **Ms. Kellie Leavitt** as Vocal Coach, **Mrs. Alyssa (Torres) Gowing '05** as Hair and Makeup Coordinator, and **Mr. Andrew Joyal '11** as the Technical Supervisor. For musical productions,

2019 Theatre Guild Performance

1957 Theatre Guild Performance

the pit includes faculty and staff members **Mr. Richard Cavanaugh**, **Mr. Timothy Hart '85**, **Mr. Andrew Joyal '11** and **Mr. Brian Griffin**.

In April 2021, when a global pandemic made live performance with an in-person audience incredibly difficult, Theatre Guild got innovative, offering a virtual Festival of One-Act Plays via Zoom. The festival featured three shows with three separate ensembles and a handful of individual musical performances: **Trifles** by Susan Glaspell, **The Summer People** by Shirley Jackson, and **The Great Pandemonium** by Pat Cook.

"I think that there will always be a place and need for live theatre at CCHS," said Matthew Joyal. *"The past year has forced us to reinvent what we've done, but we can't wait to get back to what we do best. If we have learned anything, it is that there is no substitute for the energy and love that fills Central's Allen B. Rogers Memorial Theater when the lights come up."*

This academic year, Theatre Guild will officially celebrate its 50th birthday with:

- **CCHS Theatre Guild: A Musical Revue** (November 19 & 20, 2021).
- In the spring, the performance will be an original show called **Schooled! - a jukebox musical** (April 7, 8 & 9, 2021).

"I am proud that Theatre Guild has been an important part of many students' CCHS experience and that many have created lifelong friendships in the midst of these productions," said Sharman. *"Our audiences may see the sets and performances we've created, but the memories we most treasure are those that happen backstage, during long "Super Sunday" rehearsals, dancing "the Hustle," and enjoying a place where every student feels valued."*

The CCHS community and beyond looks forward to the next 50 years of incredible performances by our dedicated students, faculty and staff!

Central has taught me that I’m happiest when I’m busy doing the things I love, and I’m incredibly blessed that those opportunities were available to me at CCHS. I was pushed to do my best in everything I did at Central, and I learned that supporting one another through good times and bad is the key to any successful organization or group.”

Career Goals: Aspiring Astrophysicist – “I plan to study physics or astrophysics, and possibly minor in either a foreign language, English, or both!”

Reflections on CCHS: “I think of theater, the darkness behind stage clashing brilliantly with the bright lights as I step on stage; I think of the busy hallways, filled with noise and laughter and students frantically rushing to class, but stopping to say hello to a friend. I think of the quiet, yet comfortable library after school, and the bustling cafeteria as students eat lunch together. I think of my friends, both new and old, smiling and laughing together, and of my best friend, with whom I’ve only grown closer. Central is full of so many incredible memories and incredible people. I have a great foundation behind me from my four years at CCHS, and I can’t wait to continue to challenge myself during the next four years to step out of my comfort zone and learn and try new things.”

My view of the world and people around me has drastically changed, because I have become more comfortable with who I am and I couldn’t be happier about it. I am always looking for opportunities to better my life and the lives of others, and I have become more confident in myself and look forward to carrying what I have learned into the next chapter of my life.”

Career Goals: Aspiring Astronaut – “My goal for the future is to be selected for the NASA Astronaut Candidate Program. In order to accomplish this, I am working towards my commercial pilot’s license. NASA prefers applicants with jet flying experience, so I hope to be an ideal candidate with both business jet flying experience and a master’s degree in five years. If I am not selected, I intend on working primarily as an aerospace engineer.”

Reflections on CCHS: “Central Catholic allowed me to explore my interests. If I ever wanted to start a club, attend an event, or learn a topic, I was given more than the required support to do so. I could not imagine flying planes multiple times a week or attending cyber security based hackathons as a freshman at Central, but due to the incredible support I have received, it's my reality. By taking opportunities well out of my comfort zone at Central, I have come closer to achieving my goals and ambitions than I would have thought possible.”

Reflections on CCHS: “My fondest memory of CCHS is the Marist Youth Gathering at Marist College during my freshman year. It changed my view on life and I made a huge family in just a weekend, that is something that I can never thank Central for enough. Without Central pushing me out of my comfort zone and pushing me to get involved, I would not be the person and leader I am today. The teachers here are so supportive and they really care about you and your successes. From the moment I stepped foot into Central Catholic, I knew instantly that there was something different about this school. I instantly felt at home and don’t believe I would be where I am today if it was not for the Central community seeing my potential and guiding me to my dreams.”

Looking back on the fourteen-year-old me, I can say I’m proud of what I have accomplished and that I didn’t let that little guy down. My effort directly correlated to my results in and out of the classroom. You don’t get handed things on a silver platter in life, most of the time, and my success at Central Catholic on and off the field was not by luck of the draw, but rather by countless hours of work and dedication.”

Our Shining Stars Keep on Shining!

Michelle Abou-Raad '12, Anya Housianitis '13, and Elvin Rosa '21 - all CCHS Shining Stars in their respective years - were excellent students, academically and beyond, but they left a larger mark on Central Catholic. They pioneered and perpetuated the award-winning Marist Mentors Program, which recently celebrated its 10th anniversary of mentoring children at the Boys & Girls Club of Lawrence.

In 2010, **Michelle Abou-Raad '12** developed this unique mentoring program after attending a Marist Brothers Youth Conference with hundreds of students from Marist schools across the country. Attendees were challenged to develop a project that would honor the Marist calling to serve the "least favored" and make a much-needed difference in the community.

"At the conference, the Central Catholic group discussed seeing young children walk home from school alone in Lawrence and we expressed our concern about the availability of mentors for these kids" said Michelle. *"From that, we developed the idea of a program in which Central students could be the mentors."*

With assistance from the CCHS Campus Ministry staff and collaboration with the Boys & Girls Club of Lawrence, Michelle - along with **Anya Housianitis '13**, officially founded the Central Catholic Marist Mentors Program.

For ten years, and with hundreds of inner-city children served at the Boys & Girls Club of Lawrence, Marist Mentors continue to volunteer weekly as mentors to kids in grades three and up. In 2018, the program was presented with the Paul W. Cronin Mentor Award for Volunteer Service by the Boys & Girls Club of Lawrence.

Recent CCHS grad **Elvin Rosa '21** - who completed over 850 community service hours through Central - carried the torch for the Marist Mentors at CCHS.

Elvin was seven years old when he started attending the Boys and Girls Club of Lawrence. **Anya Housianitis '13** was his Marist Mentor - she played games with Elvin, helped with homework, and served as his best friend at the Club.

"This program changed my life!" explains Elvin, who joined Marist Mentors his freshman year as a co-leader. *"I spent a lot of time at the Boys and Girls Club, and I've witnessed how kids in Lawrence struggle with many things, such as poverty, homework, and fitting in. I am proud to have led the program and serve as a successful mentor."*

Elvin was named 2020 Boys and Girls Club of Lawrence as Youth of the Year. At Commencement, he was also awarded the Br. Vincent Dinnean, FMS Outstanding Christian Service Award for his commitment to serving others.

Thanks to Michelle, Anya and Elvin - and to all who have answered the Marist call to serve and support this life-changing program!

Welcome Home, Presentation of Mary Academy Alumni!

The Office of Institutional Advancement (IA) at Central Catholic High School – and the entire CCHS community – is excited to cordially (*and officially*) welcome members of the Presentation of Mary Academy community to the Central Catholic family!

Presentation of Mary Academy

Central Catholic has always been a school community with a strong and welcoming family spirit, eager to serve our alumni, and we encourage all PMA graduates to view CCHS as your "new alumni home." Many members of the CCHS community are proud alumni of Presentation of Mary Academy, most notably CCHS Principal, Mrs. Doreen (Devine) Keller '71^{PMA}.

In 2020, Presentation of Mary Academy closed its doors after over 60 years of educating legions of young women, and later young men, in the charism of Blessed Anne-Marie Rivier and the Presentation of Mary Sisters...but the proud traditions of PMA live on! In addition to all PMA alumni, CCHS also welcomed approximately 60 PMA students to the CCHS community, with their tuition and financial aid awards maintained at PMA levels.

The Office of Institutional Advancement at Central Catholic is pleased to offer to alumni of PMA the same services and opportunities CCHS offers to its 18,000 alumni worldwide.

- Plan reunion events and request assistance from the Office of Institutional Advancement.
- Attend CCHS alumni events such as Homecoming and theatrical and arts presentations, Golf Classic, etc.
- As career professionals, PMA alumni are invited to participate as presenters in the CCHS Career Exploration Series providing advice to students on future career options.

Honoring Our Most Loyal Raiders

Mr. G. Thomas Catalano '50

RAIDER FOR LIFE: LEADERSHIP, GENEROSITY & COMMITMENT TO INNOVATION

Mr. G. Thomas (Tom) Catalano '50, who passed away on February 6, 2021, was instrumental in responding to the critical needs of Central Catholic multiple times over the years. His generosity ensured that hundreds of CCHS students have - and will continue to make - incredible advances in the arts, technology and sciences. He was also willing and able to take on leadership roles on Central's Board of Directors several times.

Additionally, Tom was one of Central Catholic's most generous philanthropists in the history of the school, giving over \$1.4 million dollars to support a multitude of CCHS initiatives, including an endowed scholarship in his name - **The G. Thomas ('50) & Marie Catalano Fund**. He also included Central Catholic in his estate plans.

MORE ABOUT THOMAS CATALANO

Tom, who grew up in Lawrence, MA, was an active CCHS Board member for 19 years - two of which he served as President, and in 1995, he led a successful multi-million-dollar capital campaign for the school which resulted in the renovation of the school's classrooms and important Memorial Gymnasium infrastructure. He also faithfully participated in the Annual Fund and was a member of the President's Leadership Circle at the Marian Society Level.

As a full-scholarship student at Central Catholic, Tom's leadership skills emerged by taking on the role of Class President for four years, serving as Student Council Secretary and President during two of those years, and he was a Legion of Honor member. He also played football for four years and served as Captain of the team in his senior year. He was recognized by his peers as the "most influential" 1950 classmate and a finalist for both "most popular" and the ideal 1950 Central Catholic student.

Following graduation, Tom headed off to the U.S. Coast Guard Academy and upon graduation in 1954, returned to Central Catholic to teach Math, and serve as the freshman football coach for three years.

Off the field, Tom embarked on an almost 45-year career in the insurance business - as owner of The Catalano Insurance Agency, which continued to grow to several locations before his retirement in 1999.

Tom left a lasting imprint on the CCHS community and was honored for his commitment to Central Catholic with the St. Marcellin Champagnat Award for Philanthropic Leadership in 2012.

Tom and his wife Marie (Galvagna) Catalano, who passed away March 19, 2020, made their home in North Andover, Massachusetts, but also spent time in Florida and Maine. They left behind four children Thomas Catalano, Barbara Catalano Hey, Catherine Catalano Scott, and Claudia Catalano, and a long legacy of Raiders: **Sebastian F. Catalano '48**, Brother (deceased); **Thomas B. Hey '70**, Son-in-Law; **Matthew Palmisano '10**, Great Nephew; **Rachel Palmisano '08**, Great Niece; **Andrew D. Scott '09**, Grandson; **Stephanie M. Scott '12**, Granddaughter; **Brian G. Sweeney '03**, Great Nephew; and **Tara M. Sweeney '05**, Great Niece.

REMEMBERING 'THE KID,' A CENTRAL CATHOLIC LEGEND

The Central Catholic High School community is saddened by the passing of former colleague and Central Catholic legend, **Mr. Warren W. Hayes '54**, one of the first lay teachers at Central Catholic, who passed away on June 10, 2021.

Warren, who retired in 2001 after 41 years of teaching, made a defining impact on the English Department, on the school, and on his students and colleagues.

In 2018, Warren was honored by Central Catholic with the St. Marcellin Champagnat Award for Achievement in Marist Education. In his honor, several alumni and family members created **The Warren W. Hayes '54 Scholarship Fund** in 2009.

Donations in his memory may be made to The Warren W. Hayes Sponsorship & Scholarship Fund at Central Catholic High School, 300 Hampshire St., Lawrence, MA 01841.

ENDOWMENT VISIONARY

Mr. Ronald T. Maheu '60

Mr. Ronald T. Maheu '60, who passed away on January 31, 2021, was a cherished member of the Central Catholic family.

Also a former Board member and chair of the Finance Committee, Ron was passionate in emphasizing the importance of establishing and growing the CCHS endowment fund, as well as formalizing reliable retirement plans for CCHS lay faculty and staff.

His personal generosity was endless as one of the most active benefactors in the history of Central Catholic. Ron also left Central in his estate plans.

Ron was honored for his commitment to CCHS during Central's Golf Classic (2005), and in 2018 was a recipient of the St. Marcellin Champagnat Award for Philanthropic Support of the Mission of Central Catholic.

While a student at Central, Ron was a member of the Varsity Football and Basketball Teams, and his classmates voted him as the "Best Student" and was always seen to have a pleasant smile and sparkling personality. Ron was chosen as the recipient of the Michael Garvey Award as the outstanding student-athlete in the Class of 1960, and in 1996 he was honored with induction into the Central Catholic High School Athletic Hall of Fame.

After graduating from CCHS, Ron earned a B.A. from the College of the Holy Cross, with an M.B.A. from Boston University and an M.S. in taxation from Bentley College. He also served as a Captain in the United States Marine Corps during the Vietnam War.

He went on to work as a Senior Partner for Pricewaterhouse Coopers (PwC) until his retirement in 2002, but continued serving on boards for various organizations. He was a philanthropist who continued to give back to his family, community and organizations that were close to his heart throughout his life. Over his career, he provided strategic financial guidance to Raytheon, Digital Equipment Corporation and EMC, just to name a few.

Ron was also a founding member of Coopers & Lybrand's Board of Partners and he chaired the company's U.S. Technology Industry Program. He has served on both the U.S. and Global Boards of Partners & Principals for Pricewaterhouse Coopers, chaired the National High Tech Group and the Audit Committee of Associated Industries of Massachusetts - the largest nonprofit, non-partisan association of Massachusetts employers.

Ron is survived by his wife of 49 years, Jane, and his three children, Tyler Maheu, Nicole Maheu, and Ryan Maheu.

Creating a Legacy of Love

Mrs. Elizabeth Cuddy

Mrs. Elizabeth “Betty” Cuddy, the matriarch of a large Irish-Catholic family with deep Lawrence roots, lived her life in service to her church and her community. After a lengthy and courageous battle with breast cancer, Betty passed away in 2018.

The Cuddy Family is honoring and celebrating this remarkable woman who was lovingly called “Ma” by many – including several current and past CCHS students – by establishing **The Elizabeth A. Cuddy Memorial Scholarship**. To encourage others to follow in Betty’s footsteps, the scholarship represents a life well-lived, and will be given to a student in loving remembrance of Elizabeth A. Cuddy and her lasting legacy of faith, family, and friends.

The mission of The Elizabeth A. Cuddy Memorial Scholarship is to:

- Challenge eighth graders pursuing a Catholic education to live a life of kindness in service to others
- Celebrate and acknowledge volunteerism and community service
- Give back to students for their dedication to serving those in need
- Honor the student who best exemplifies the ideals and values of Elizabeth A. Cuddy

Betty was many things to the Greater Lawrence community and her contribution continues through this scholarship. She made friends wherever she went, and her example of acceptance and commitment to others made her life worth emulating.

“Volunteering in many community roles brought her so much satisfaction - whether she was strutting down the runway at Central Catholic’s Catwalk4Cancer, or speed walking in cancer walks with a massive team trailing alongside her, or raising money for aneurysm awareness, her service inspired joy,” said **Colleen (Cuddy) Dolan ’84SM**, Betty’s daughter.

Full of faith and fellowship, Betty was a Sacristan, preparing the banquet table for the liturgy, a lecturer, proclaiming the Word of the Lord, and a leader, guiding several organizations, including Our Lady Sodality, Moving on Group, and various ministries at Saint Patrick Parish, a place she lovingly called home.

Just a month before her passing, Betty was awarded the 2018 Richard Cardinal Cushing Award, an honor bestowed by the Ancient Order of Hibernians. The distinction is given to an Irish-Catholic who exemplifies commitment to both the church and the community. In her acceptance speech, Betty shared her unwavering commitment to faith, family, and friends, and how they sustained her throughout her life, stating with passion and inspiration, *“My beautiful, loving family, undeniable faith, and treasured lifelong friends allow me to live a life of service until a loving God calls me home. After all, if we do not have our faith, we are nothing at all. I will continue to live a life of devotion to the Blessed Mother and I challenge each of you to live out your Catholic faith in service to others. Believe me when I say it has given my life great purpose and makes everyday worth living! God Bless you all!”*

Elizabeth’s CCHS Legacy: Betty’s son – **John Cuddy ’79** – his wife **Kathy (Underwood) Cuddy ’77SM**; her daughter **Colleen (Cuddy) Dolan ’84SM**; Elizabeth’s grandchildren – **Jonathan Couture ’09**; **James Cuddy ’12**; **Thomas Cuddy ’22**; **Brittany (Couture) Cowen ’05**; **Kelsea (Dolan) Lussier ’10**; **Alyssa Cuddy ’10**; and **Rose Cuddy ’24**.

Students who value kindness, compassion, empathy, and inclusion can apply to follow Betty’s legacy through this scholarship.

THEN & NOW

A hair-raising experience never gets old! For decades, CCHS students have enjoyed electrifying encounters on campus with a Van de Graaf generator, which CCHS acquired many years ago to enhance the Physics and electricity curriculum.

The Van de Graaf generator demonstrates static electricity! When a hand is placed on the generator, electrons are taken from the body, creating a positive charge most evident when positively charged strands of hair repel each other, causing them to raise. There is a large-scale version of the Van de Graaf generator at the Museum of Science in Boston, MA.

Alumni

From drive-through events to a variety of virtual visits, the CCHS community got innovative over the past year to ensure that Raider Nation stayed connected safely! The Office of Institutional Advancement continues to plan many exciting future events, where we hope to once again have alumni gather in-person to reminisce on their favorite Raider moments.

The Class of 2020 Yearbook Pick-Up: *The Florentian Drive-Through*

Members of the Class of 2020 – picked up their yearbooks safely... and in style! In November 2020, graduates drove up to Central Catholic's Main Entrance to pick up their yearbooks, and were also presented with a delectable treat and details on upcoming events.

Thank you to the **CCHS Student Alumni Association** for helping to welcome home the Class of 2020 and distributing yearbooks!

If you still have not received your yearbook, please contact Mr. David Erwin P'24, Chief Advancement Officer, (978) 682-0260 x656 or derwin@centralcatholic.net

Raiders on the Road - Virtual Alumni Receptions

Last academic year, Raider Nation virtually visited over 15 cities across the nation via Zoom! Fellow classmates reconnected with other Raider alums in their area, reminisced with CCHS President **Christopher Sullivan '81**, and learned the latest news from Central Catholic!

Each session also spotlighted a special guest including Mr. Chuck Adamopoulos, Teacher & Coach; Mr. Ernie DiFiore, former Athletic Director; Ms. Jeanne Burns, Assistant Principal & Academic Dean; **Mr. David Defillippo '66**, former Principal, Teacher, School Counselor, & current Advancement Associate; Mr. James O'Neill, Teacher and many more familiar faces!

In 2021-22, CCHS President **Christopher Sullivan '81** and Chief Advancement Officer **Mr. David Erwin P'24** plan on once again visiting select locations in person (if guidelines allow). See if they're coming to a city near you!
