	ENGAGING OUR SENIOR CITIZEN COMMUNITY	DFDA

HOLLISTON

Holliston’s senior citizen community represents an important resource within our community. In addition, Holliston’s senior citizens have been strong supporters of the Holliston Public Schools and that support should be encouraged and acknowledged. In order to achieve these goals, the Holliston School Committee encourages all schools to:

- Focus some of their community service efforts on areas that will serve Holliston’s senior citizen community;
- Invite members of Holliston’s senior citizen community into our classrooms to share their knowledge and experience where it can enhance instruction;
- Distribute information to Holliston’s senior citizen community about ongoing events and activities that our seniors may be interested in attending;
- Offer, wherever possible, free or reduced admission tickets to members of Holliston’s senior citizen community; and
- Encourage other cross-generational activities that would benefit both students and our senior citizen community.
