	WILLFUL DESTRUCTION OF SCHOOL PROPERTY	ECAC

HOLLISTON

The Holliston School Committee recognizes that acts of vandalism committed against public and private property are costly, and reducing incidents of vandalism requires positive action through educational programs. Consequently, the Committee will support various programs aimed at reducing the amount of vandalism.

The School Committee urges citizens and requires that staff members and students report any incidents of vandalism to school property. Reports should be made to the Holliston Police Department or a building administrator and, if known, should include the name(s) of the person or persons believed involved.

The Holliston Public Schools will seek reimbursement for the total costs associated with the repair and/or replacement of damaged property.
