	ATHLETIC UNIFORM POLICY	IJE

HOLLISTON

The Holliston Public Schools will provide an athletic competition uniform to all student members of athletic teams as required under Massachusetts Interscholastic Athletic Association (MIAA) guidelines, coach handbooks, and as determined by the Principal and Athletic Director. Said uniform remains the property of the Holliston Public Schools. All parts of said uniform not provided by the school will be provided by the athletes, and these articles will be retained by the athlete and are considered their personal property. Individual team coaches will provide a detailed outline of these requirements to each athlete after approved by the Athletic Director. Uniforms for middle school athletics will be exempt from this policy.

All athletic uniforms will be distributed by the team coach, under the direction of the Athletic Director, at the beginning of each sport season. All uniforms provided are the property of the Holliston Public Schools. Said uniforms must be returned by the student athletes at the close of each sport season or as dictated by the Athletic Director. Uniforms returned by athletes that are deemed unacceptable, or that are lost or stolen, will be subject to a replacement fee, per Holliston School Committee Policies JICB and ECAC.
