	ADMISSION OF TRANSFER STUDENTS FROM COMMONWEALTH CHARTER SCHOOLS	JFABC

HOLLISTON

The Holliston Public Schools (HPS) will enroll and place students who have left Commonwealth charter schools by adhering to the same policies and procedures in place for any other student enrolling in the school district including, but not limited to, examination of the course of study and level of academic attainment of the student when determining the student’s appropriate grade placement or eligibility for high school graduation.

The time of the school year when enrollment is sought shall be a factor in determining the student’s grade level placement. The school district may determine that a student seeking enrollment after the mid-point of the academic year may not be eligible for promotion or graduation in that academic year.
