MISSION/VISION

The mission of Marshall Elementary School is to inspire and prepare every student to love learning, achieve ambitious goals and make positive contributions to the world. Our vision is that Marshall students are actively engaged in learning within a collaborative school climate and culture built on a sense of belonging through relationships, informed by a lens of equity, and rich with academic and social emotional learning opportunities.

FOCUS ON THE WHOLE CHILD

Marshall Elementary has a schoolwide focus on social and emotional learning (SEL). Creating high-quality learning experiences means educating the whole child by meeting his or her social, emotional, and academic needs. Through this process, children and adults acquire and effectively apply the knowledge, attitudes, and skills necessary to understand and manage emotions.

With strong social and emotional skills, our students will be able to set and achieve positive goals, feel and show empathy for others, establish and maintain positive relationships, and make responsible decisions.

OPPORTUNITIES FOR ACADEMIC ACHIEVEMENT

Here at Marshall, we are proud of the opportunities we have created for our students to succeed academically. Marshall has a strong relationship with Reading Partners, as we house one of the largest centers in the district. In addition, our school offers an after-school leadership program called Community Action Project, which will culminate in end-of-year student leadership debates. We also focus on individualized student learning, as our curriculum incorporates small group breakouts, allowing students to work directly with their teachers on specific areas of need for 15-20 minutes per day.

STUDENT LEADERSHIP GROUP

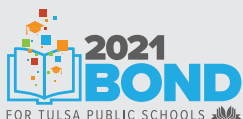

Marshall has a strong pre-kindergarten program which has greatly benefitted the community. This program helps acclimate students to a classroom setting, places them on a track toward early literacy and creates a solid educational foundation for students across a variety of subjects.

CLUBS AND PROGRAMS

Bike Club, Basketball Team, Running, Golf Club, Reading Partners, Boy & Girl Scouts, Yoga Club, Kindness Club, Community Carnival

STEM PROGRAMMING

Thanks to the support of the Cal Ripken, Sr. Foundation and Devon Energy, every elementary school has a new STEM center where students can participate in fun and engaging hands-on learning activities - including computer coding!

Thank you Tulsa for investing in every child and every school! Because of you, every child in our district will see, feel, and experience the benefits of the 2021 Bond package. Tulsans have made a five-year \$414 million investment in safe and accessible schools; state-of-the-art educational technology; sustainable student transportation; and rigorous, engaging, and culturally sustaining learning experiences that prepare students for success in college and careers.

At Marshall Elementary, the 2021 Bond for Tulsa Public Schools includes:

- » New restroom renovations, a digital marquee, parking lot repaving, and exterior lighting improvements;
- » New educational and instructional technology for every class;
- » New equipment, materials, and resources for fine arts and physical education; and
- » Safe, comfortable, and environmentally sustainable transportation.
