

Middle School Math/Science

Gulf Stream School, a PreK-8, co-ed, independent school on the southeast coast of Florida, is seeking a Middle School Teacher who can teach both math and science. Candidate must be able to teach general science at the middle school level as well as a range of math courses from Fifth Grade Math through Honors Geometry. Experience working with Middle School students and a Bachelor's Degree in Mathematics or Science are required; a Master's Degree is desirable. Strong communication skills, both written and verbal, are a must, as is a desire to work as part of a strong team. Competitive salary and benefits. Interested candidates should send a cover letter and resume to Assistant Head of School, Cathy Abrams, at cabrams@gulfstreamschool.org.
