THE YEAR OF PIVOTS

Roma Coleman,
Director of Athletics

The 2020-2021 Basketball season was the “Year of Pivots”

Not only did our student-athletes work on developing pivoting skills on the court, but our basketball season required several programming pivots. Although we had fewer students playing basketball this year as a result of COVID-19, many boys and girls in 5th through 8th grade chose to don the navy and white and roar like LIONS!

59 total Lions participated this year’s intramural season with 20 in 5th grade, 15 in 6th grade, 13 in 7th grade and 11 in 8th

grade; to comprise 2 co-ed grade specific teams for each grade. Both genders competed to the best of their abilities, putting in the work necessary to improve individually and as a team.

I can’t wait to see our Lions continue to use everything they’ve learned in 2020-2021 and thank parents for all of their support this season. I would also like to congratulate our Lions for roaring into competition, their flexibility, showing great sportsmanship, and, most importantly, having fun and growing in the sport of basketball. Go Lions!

UNGALA SATURDAY, APRIL 10, 2021

Please join us at
St. Mark’s Episcopal School

4:30 PM and 7:30 PM time slots will be available.
Please note your time slot when reserving your tickets!

All St. Mark’s parents and friends are invited to join us for our annual spring fundraising event. The spring fundraising event is a time-honored tradition. Since 2013, we have held an on-campus casual event we call the “UnGala.”

This year, our event will take an even more casual form as we create a socially distanced tailgate experience! This will allow us to keep our guests and staff safe and also celebrate our community and our school.

Stay tuned for more news about the wine pull, raffle prizes, and the online digital auction!

UnGala FAQ

WHY ARE THERE TWO TIME SLOTS?

We created an early and late time so we can accommodate more guests. Each time slot can accommodate a limited number of cars, as we are instructing guests to park one space apart. This means each time slot can accommodate approximately 35-40 cars. We feel confident that by spacing out our guests, that we can still hold our event and remain safe.

WILL WE WEAR MASKS?

YES! We are counting on our community to continue to wear masks for the duration of this event. We will be bringing food and beverages to your cars and we ask that you enjoy these items in your car or by your tailgate only. Guests walking around or socializing with others MUST wear their masks. Only

UnBelievable Underwriters will have tables for 4 with adequate spacing to eat, seated outside.

IF I CAN’T ATTEND, CAN I STILL BID IN THE AUCTION?

We will open our auction for bidding the week of the event. All parents can bid online, whether they attend or not. The online auction system will text you when you have been outbid if you allow that feature.
