OUR NEW YEAR'S RESOLUTIONS & WISHES

HAPPY NEW YEAR
FROM INSIDE

MR. DEVINE

I want 2022 to be a year when we can let go of fear and anxiety over the pandemic because these emotions have masked us off from embracing Joy,

Laughter,
Humor, Hope, and Faith.

I hope to deepen my faith in God and nourish relationships with friends, family, and colleagues.

MS. NICKOLAI

FR. REESE

Being called to trust in God, in each other, and ourselves.

JACK QUACH '23

I'd love to get outside as much as possible in 2022, whether it's for a short walk with my dog or spending time with family and friends!

LAUREN MANDEL '22

I would like to work on my ability to clear my mind and focus on myself through meditation.

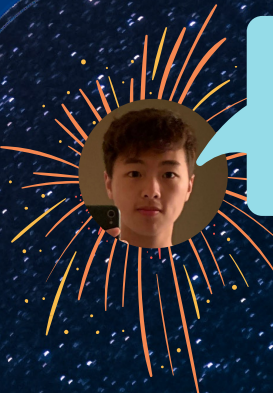

REILLY DERRICK '22

To spend as much time with my family and friends, off of technology and exploring the world, before college starts

TOMMY DEBENEDETTI '22

To read at least one book (or play!) outside of school each month of 2022

AIDEN WONG '22

I want to use social media (especially tiktok) less and exercise more instead

LUKE MCFADDEN '22

Spend as much time with my family as possible before college

**We wish that everyone has a New Year 2022
that's just TOO spectacular!**
