## Happenings Around Mitchell

CAST will be closing all week at 4:30. Please notify the office if you have made different dismissal arrangements this week.

Greetings MES families,

As we look forward to the return to school tomorrow, Tuesday January 4, 2022 we wanted to purvey a few reminders in the interest of keeping all children and staff safe:

- All safety protocols will be strictly enforced; including masking in school and on school buses.
- We will continue to execute cleaning protocols at least twice daily.
- We will continue to use dividers and social distancing during each lunch wave.
- \*Please do not send your children to school if they are experiencing any symptoms, however mild. Please contact our school nurse if you have any questions at [mdwan@ctreg14.org](mailto:mdwan@ctreg14.org)
- Stay tuned for further information from the district regarding potential test kit availability from the district. We encourage you to try to get tested on your own as there will be a limited amount of kits available.
- Please check your emails, as the bus company found it necessary to make some changes and/or combine buses; all affected parties were notified via email.
- Quarantined students will access their work via the Google classrooms. Lunch will be available for pickup for those who indicate they want it at the front vestibule of the school at 10:30 a.m. daily.

We appreciate your cooperation, care, and patience in keeping everyone safe. Please do not hesitate to contact us should you need assistance. We will continue to do our best to manage constantly changing conditions and ensure everyone's well-being while maintaining in-person learning.
