You made a difference, and we hope you will continue to support St. Paul's mission to inspire and empower young people to learn, grow, and make a positive change in the world.

Dear St. Paul's Community,

On behalf of The St. Paul's Schools, thank you for your generous support during the 2020–2021 school year. We are proud to present this first-ever, all-schools donor impact report, recognizing, in one place, every St. Paul's donor from July 1, 2020, to June 30, 2021.

Whether you gave to The Gator Fund, The St. Paul's Fund, a legacy endowed fund, a capital project or campaign, or any of a number of special projects, your gifts directly benefited our people, programs, and campus. Last year, more than 2,000 donors contributed $7.1 million in gifts—funds that allowed the schools to continue to flourish during a year of great challenge and uncertainty.

Your investment in St. Paul's helped enhance the arts, athletics, professional development for faculty, and the health and safety of our campus. Capital gifts enabled the opening of a state-of-the-art boys' upper school building on the north campus and are laying the foundation for a similar transformation of teaching and learning spaces at the girls' school. Gifts also helped lift the school's endowment to a record value of $77 million, providing a continuing revenue source for faculty salaries and benefits, tuition assistance, and more.

This publication highlights just a few examples of how your donations benefited students, faculty, and staff across our campus. It also reflects an important step forward in St. Paul's advancement efforts. As of July 2021, there are no longer separate boys' and girls' fundraising offices. We are now *one* team, serving the whole St. Paul's community. Our team is excited about this change and the opportunity to combine our efforts for maximum impact while celebrating and upholding the many traditions that make our schools unique.

One change this year is the launch of a unified "One St. Paul's Fund," replacing the historic Gator Fund and St. Paul's Fund (see page 72). The One Fund will maintain traditions such as Gator Day and the Laker-Crusader Challenge, introduce new traditions like a Pre and Lower School giving celebration, and support big opportunities for all of our students and faculty.

We are grateful to the many alumni, alumnae, students, current and former parents, grandparents, and faculty and staff who showed their support this year. You made a difference, and we hope you will continue to support St. Paul's mission to inspire and empower young people to learn, grow, and make a positive change in the world.

One campus. One community. One St. Paul's.

Sincerely,

Kevin Sottak
Vice President, Advancement
The St. Paul's Schools

The GATOR FUND

Gifts to the Gator Fund totaled $749,350 in support of the students and teachers at St. Paul's School for Girls! Annual contributions provide opportunities for each student to develop and enhance her strengths. Engaging in spaces that encourage healthy risk-taking, students work together to think creatively, share ideas, and discover new areas of interest.

Your support of the Gator Fund allows the school to fund financial aid, maintain and improve facilities, attract and keep the best teachers, supply students with up-to-date technology, provide resources critical to diversity, equity, and inclusion work, support arts and athletics programming, and offer exceptional educational opportunities for our students.

Special thanks to our volunteers for generously giving us their time and energy. A special shout out to Gator Fund Chairs Andrea and Brian Rubin, Leadership Giving Chairs Chris and Timothy Mudd, the Class of 2021 and the Senior Gift Committee, Parents Association President Missy Salihi Smith '92, and Alumnae Association President Ebony Harley '05.

CLASS OF

2021

Senior Gift

Last school year, the class of 2021 and their families contributed more than $90,000 to benefit the Gator Fund and support enhancements to the Faculty Room. We are grateful for this new space, which was designed by SPSG alumnae Arianna Pannoni ’10 and Kasey Bedford Steele ’10 and provides areas for both work and conversation.

The updated flooring, paint, cabinetry, and seating create a warm and welcoming room for our faculty and staff to enjoy a cup of coffee or a lunch break.

Despite the unique circumstances last year, St. Paul’s School for Girls and our Alumnae Association successfully hosted several virtual events.

Our alumnae participated in important discussions about diversity and mindfulness during “Just the Facts,” book club, and wellness sessions. They explored hobbies by participating in yoga, paint and sip, and gingerbread house making, and they celebrated their Gator pride and reconnected with classmates and former faculty members during the various virtual Green & White Weekend events. Students had the opportunity to strengthen their interview skills by participating in virtual mock interviews with our alums, and the Alumnae Association played an important role in the Class of 2021 Senior Day.

2020-2021 Donors

ST. PAUL'S SCHOOL FOR GIRLS

This report recognizes donors who generously gave to

St. Paul's School for Girls from July 1, 2020, through June 30, 2021.

Gifts received after June 30 will appear in the 2021-22 impact report.

This report is also available online at stpaulsmd.org/impactreport.

✦✦✦

We are grateful for the generosity of the St. Paul's community and take pride in recognizing donors.
Please contact Whitney Blair, donor relations manager, at wblair@stpaulsmd.org
should you notice an omission, misspelling, or other error within this report.

Leadership Giving

✦ ✦ ✦

These giving levels recognize donors to St. Paul's School for Girls who have distinguished themselves as leadership supporters. We appreciate their generosity this past school year and recognize their gifts of $1,959 to more than $25,000. This special group of donors deeply believe in the mission of the school, and we are grateful to them for making SPSG their philanthropic priority.

"To say that The St. Paul's Schools has played a critical role in the lives of our family would be an obvious understatement. Atherton 'Appy' Middleton, my grandfather, was the headmaster of the boys' school from 1944 to 1966. My parents moved to Baltimore so that I could attend St. Paul's beginning in fifth grade, which coincided with my grandad's last two years before retirement, which some have speculated was accelerated by my arrival.

I have always credited the great teacher-coach model for the overall quality of my experience at St. Paul's. Mitch Tullai, Tom Longstreth, and George Mitchell were not just great teachers and coaches, they set the finest examples for us as men of impeccable character and integrity. I had other superb teachers as well and I will always be grateful for the exceptional education St Paul's provided.

When it came time for Magge and me to enter our children in middle school, we moved back to Baltimore from DC, in large part to enroll our son, Joe, at St Paul's. He subsequently graduated, earned an electrical engineering degree in college, and is working on movies in Montana. Our youngest, Eliza, recently graduated from the girls' school and started her first college semester in Rome. I commuted to DC for 13 years (pre-Covid) and, despite the 3 1/2 hour daily round-trip commute, it was all worth it. Two of my sister's children, Andrew and Henry Townsend, also graduated from the boys' school. All the kids are doing really well and we have St. Paul's to thank for that.

Suffice it to say, our family has benefited immensely from our long association with The St. Paul's Schools and the extraordinary teachers and staff who have worked there, and we will always be staunch supporters."

Jessica Carico Tillinghast '03

What do you love most about St. Paul's?
I love the sense of family and community the campus has.

What about St. Paul's is most important to you?
I now teach in the preschool. Being around St. Paul's for most of my life, I've seen things on campus change and evolve a lot, but the one thing that hasn't changed is the feeling of being at home and being part of a loving school family.

What has been your favorite memory at St. Paul's?
One of my favorite memories is the time I spent doing the school musicals. It was where I really started to feel comfortable and where I met many friends that are still part of my life today.

What inspires you to give to St. Paul's?
A lot of times I try to designate what I give to the music and arts programs. The time that I spent singing in the choirs at SPSG are some of my fondest memories and really cemented my love of singing.

What do you love most about St. Paul's?
What I love most about St. Paul's is the connection it gives me to my older sister, Maddie Cooke '18, as well as all of the other people who have gone to The St. Paul's Schools. I look at my school ring and think about how it connects my sister and me. Even though we may be far apart, we are still bonded through our SPSG ring and our experiences.

What about St. Paul's is most important to you?
To me, the most important thing is the friendships with students, alumnae, and even teachers. It is so nice walking into a building every morning and knowing you are supported and welcomed.

What has been your favorite memory at St. Paul's?
My favorite memory at St. Paul's would be winning the badminton championship with my team. Seeing the amount of support and school spirit that surrounded us was so fun. The lacrosse team and the golf team also winning championships this spring made it all the more exciting as a community.

What inspires you to give to St. Paul's?
I am inspired and driven to give to the St. Paul's community because it has made me feel at home these last four years. I have seen how comforting it is for freshmen who are scared of their next years ahead, and how nurturing it is to seniors as they prepare to leave and continue on with their life after St. Paul's. This is important to me because it is truly the people that make St. Paul's the place that it is. The faculty and teachers have helped me grow not only as a student, but also in my character. Giving is a way of showing my thanks to the people who have made my time here so special.

The Ivy Society

These generous donors have included St. Paul's School for Girls in their estate through a bequest, trust, or other creative planned gift. The Ivy Society, established in 1992, sustains the ideals of founding Headmistress Rosalind Levering and recognizes donors whose gifts strengthen St. Paul's School for Girls in perpetuity.

To learn more, contact Caitlin Kelly, director of leadership and legacy giving, at 443-632-1045 or cakelly@stpaulsmd.org.

THE ST. PAUL'S FUND

STRONGER TOGETHER

Although the 2020–2021 school year presented challenges resulting from Covid-19, we are incredibly grateful for the loyal support of our alumni, parents, grandparents, faculty, staff, and friends. Together, our donors contributed $1.5 million to the St. Paul's Fund.

The impact of our community's generosity is seen in every aspect of school life. Gifts to the St. Paul's Fund support everything from faculty salaries and tuition assistance to classroom technology and arts and athletics programs. In addition, last year, the St. Paul's Fund supported infrastructure upgrades, expanded technology, professional development to support distance learning, cleaning services, and protective equipment—all resulting from the pandemic.

The year-round efforts of our volunteers made this success possible. Our dedicated team of alumni and parent volunteers engage with our community through emails, texts, phone calls, mailings, and exciting initiatives such as the Laker-Crusader Challenge and igNIGHT. Special thanks to St. Paul's Fund Chairs Janine and Phil Golden, the Class of 2021 and the Senior Parent Gift Committee, 2020-21 Parents Association President Julie Linz, and Alumni Association President Eben Eck '84. The leadership of our volunteers makes a significant difference in the lives of our students and teachers.

HOLIDAY CHALLENGE

5 DAYS, DEC. 13–17

377 DONORS	$240,029 RAISED	125 PARENT DONORS
$753 AVERAGE GIFT	103 ALUMNI DONORS	43 NEW DONORS

During Our **St. Paul's Christmas List Challenge**, **376 donors** came together to raise **$240,029 in support of the 2020–21 St. Paul's Fund**, including a generous matching gift from an anonymous St. Paul's alumnus. Our Christmas list contained the many things that make the St. Paul's experience so special. From the connections made in our small schools to the vast opportunities our campus offers, our tradition of excellence remains strong. **Thank you to all donors who supported this challenge!**

LAKER-CRUSADER CHALLENGE

9 DAYS, MAY 3–11

414 DONORS	$82,040 RAISED	155 PARENT DONORS
$144 AVERAGE GIFT	183 ALUMNI DONORS	23 NEW DONORS

This was the **eighth year of the Laker-Crusader Challenge** with a goal of 349 donors—the number of combined years SP and BL have been educating boys in the Baltimore area. This year we were excited to cheer on the varsity lacrosse team with a bus parade on their way to BL for the game. While we did not win the challenge this year, we exceeded our goal with **414 donors** who supported this effort and **contributed $82,040**.

Classes of

2020 AND 2021

SENIOR GIFT

Traditionally, gifts to the St. Paul's Fund from senior-class parents support a special contribution to the school. The senior parent gift is a meaningful way for families to honor their graduating sons while leaving a valuable legacy for future generations of St. Paul's students. This year we want to thank the families and friends of both the classes of 2020 and 2021 for their support of this important effort.

We are grateful to the Class of 2020 families for their contributions that allowed for the repair and make over of the senior room in the pool house pavilion. This project involved gutting, remodeling, and furnishing the interior to be more usable and attractive, as well as installing heat, air conditioning, new doors, and windows to improve access and safety.

In addition, the families of the class of 2021 generously contributed a new roof to the pool house pavilion and funded two other important projects: a new bell system for the chapel and equipment for the state-of-the-art STEM lab in the upper school.

We can now offer these facilities and amenities to our students and faculty because of the generosity and loyalty of the families and friends of our seniors. Special thanks to the Senior Parent Gift Committees, who encouraged support of these important efforts.

With restrictions on indoor events, much of our alumni programming migrated to the virtual airwaves, as we endeavored to keep alumni in touch with our alma mater and each other. The Crusader Network continued connecting young alumni with older graduates in finance, banking, commercial real estate, and other professions. Alumni enjoyed touring our new upper school, with the STEM lab and Oriel Learning Services Center as particular highlights.

The "St. Paul's Stories" podcast shifted from the studio to "Crusader Conversations" on Zoom, both hosted by Alumni Director Charley Mitchell '73. Guests were LaMonte Wade Jr. '12, now playing for the San Francisco Giants; Alan Wiggins '00, discussing his Broadway career with theater director Christina Kemmerer; Mark Walsh '72 on the future of bipartisanship; and Dr. Kevin Billups '76 on key topics in men's health. Another highlight was our March virtual beer-tasting event, with 136 participants, which featured David Hooper '11 of Diamondback Brewery conversing with Director of College Counseling and beer aficionado Jake Talmage.

Several classes caught up via Zoom—1986 chortled over yearbook photos, while 1966 met up with Dr. Edward M. Trusty Jr., head of school, and other school leaders. The Alumni Association board met virtually throughout the year and added two new members: John Faus '16 and Michael Hall '06. Plans were laid to launch the Black Alumni Networking Group this fall.

The annual Crusader Cup golf outing at Hillendale Country Club in April raised $6,200 for the Alumni Scholarship Fund, and hilarious hypnotist performances for the classes of 2020 and 2021, sponsored by the Alumni Association, celebrated these young graduates as alumni.

2020-2021 Donors

ST. PAUL'S PRE AND LOWER SCHOOL
ST. PAUL'S SCHOOL FOR BOYS

This report recognizes donors of all levels and for all purposes who generously gave to St. Paul's from July 1, 2020, through June 30, 2021. Gifts received after June 30 will appear in the 2021-22 impact report.

This report is also available online at stpaulsmd.org/impactreport.

We are grateful for the generosity of the St. Paul's community and take pride in recognizing donors. Please contact Whitney Blair, donor relations manager, at wblair@stpaulsmd.org should you notice an omission, misspelling, or other error within this report.

Leadership Giving

✦ ✦ ✦

These six giving levels recognize donors who have distinguished themselves as leadership supporters. We are grateful for their generosity this past school year and recognize their cumulative gifts of $3,500 to more than $50,000 for all purposes. These gifts are the cornerstone of our fundraising success each year.

St. Paul's honors loyal donors who consistently support the school year after year. These supporters have made gifts to St. Paul's for 10+, 25+ and 50+ or more consecutive years. All gifts, no matter the size, make a difference in our community.

Katie and Hayward R. Howard '02, P'37

What do you love most about St. Paul's?
I love the community founded on treating one another with respect while emphasizing accountability for our individual actions. It's a foundation we all should live by.

What about St. Paul's is most important to you?
The quality of the school's educators who have a lasting impact on their students' lives was and is most important to me.

What has been your favorite memory at St. Paul's?
Oddly enough, my favorite memory at St. Paul's was football training camp, including the sense of team and accomplishment that was created when I was a student.

What inspires you to give to St. Paul's?
I'm inspired to give as a result of where and who I am today. I went to St. Paul's for 12 years. It was the start and foundation of my life. For better or worse, it's indebtedness.

Gift Clubs

We thank and recognize our donors for their cumulative giving to the school during the 2021 fiscal year.

St. Paul's honors loyal donors who consistently support the school year after year. These supporters have made gifts to St. Paul's for 10+, 25+ and 50+ or more consecutive years. All gifts, no matter the size, make a difference in our community.

Louise and Mark Matthews P'25

What do you love most about St. Paul's?
We love what the St. Paul's education and experience have done to nurture our son's academic success, personal growth, and development of talents, skills, and leadership. The relationships that he has formed with some of his peers and teachers have kept him focused and determined.

What about St. Paul's is most important to you?
What's most important to us is having caring, dedicated, and supportive teachers and faculty for the students and parents. We believe a challenging academics program, sports, arts, and community service opportunities are essential.

What has been your favorite memory at St. Paul's?
Our favorite memory at St. Paul's was the International Block Party. During our first year at St. Paul's, we were able to experience and learn about different cultures and families that are a part of the St. Paul's community. Our sons were given the opportunity to perform a few musical selections on the saxophone.

What inspires you to give to St. Paul's?
Helping to provide the opportunity for more families to receive a St. Paul's education and experience is what inspires us to give. We believe in giving back and paying it forward, so that's why we support the fund for tuition assistance and for faculty who have children at St. Paul's.

Lifetime Giving

The following recognizes donors who have given more than $250,000 cumulatively to St. Paul's during their lifetime. Without these generous individuals, St. Paul's would not be able to offer the level of education it provides today. We thank them for their extraordinary investment in our students.

St. Paul's honors loyal donors who consistently support the school year after year. These supporters have made gifts to St. Paul's for 10+, 25+ and 50+ or more consecutive years. All gifts, no matter the size, make a difference in our community.

TOTAL EVENT REVENUE

The first-ever campus-wide fundraiser—igNIGHT St. Paul's—**raised more than $250,000** thanks to our sponsors, fund-a-need donors, dedicated volunteers, and enthusiastic auction participants. Our community not only surpassed the goal but demonstrated the spirit and connection that are the essence of our schools during a most challenging year. **Proceeds from the event support tuition assistance, faculty development, and student programs.**

The Dorrance family and the Board of Trustees each generously offered matching gifts, which helped us **raise more than $115,000 for the fund-a-need effort.**

Many local and alumni-owned businesses supported this event, including our presenting sponsor, Fulton Bank; our platinum sponsor, the Parents Associations of The St. Paul's Schools; and our gold sponsor, Scheinker Legacy Wealth Advisors. See a list of the igNIGHT volunteers on page 59.

Volunteers

The St. Paul's Schools offers a wide range of ways for parents, alumnae, alumni, and friends of the community to share their time, treasure, and talent. We rely on volunteers in many aspects of school life, and these special individuals strengthened and supported our community during the 2020–2021 school year.

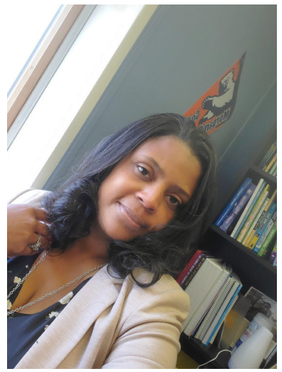

Our Parents Associations worked during an unusual year to bring creative and innovative programs to our families.

To learn more about volunteer opportunities at The St. Paul's Schools, contact Haley Brown Mahonski '99 at hmahonski@stpaulsmd.org or 443-632-1014.

"I volunteer because it offers the opportunity for me to give something back to the community that is involved with nurturing my children to be intelligent, positive, and productive individuals. I enjoy learning how amazing The St. Paul's Schools is by spending time with the amazing families and staff. And it's FUN!

– LUANDA JOHNSON P '24, '25
(DEI PARENTS ADVISORY COUNCIL)

"I volunteer because doing for others is a core tenet of our family values. St. Paul's is such an important place to my entire family and volunteering provides me the opportunity to be involved in a community that has given us so much.

– JULIE LINZ P '20, '31
(PARENTS ASSOCIATION PRESIDENT)

"Volunteering for St. Paul's is the least I can do to give back for all of the memories and opportunities this community provided me. Even playing the smallest of roles in making sure a tradition lives on is gratifying.

– JOHN FAUS '16
(ALUMNI BOARD)

The St. Paul's Schools Board of Trustees 2020-2021

Members of the board contributed a cumulative total of $2,068,419 to The St. Paul's Schools.
We are grateful for their dedication, which strengthens and supports our community.

2020-2021 Donors

THE ST. PAUL'S SCHOOLS

This report recognizes donors who generously gave to

The St. Paul's Schools from July 1, 2020, through June 30, 2021.

Gifts received after June 30 will appear in the 2021-22 impact report.

This report is also available online at stpaulsmd.org/impactreport.

✦ ✦ ✦

We are grateful for the generosity of the St. Paul's community and take pride in recognizing donors.
Please contact Whitney Blair, donor relations manager, at wblair@stpaulsmd.org
should you notice an omission, misspelling, or other error within this report.

Capital and Endowment

Capital and endowment gifts have immediate and measurable impact while providing enduring benefits for generations of St. Paul's students. By supporting capital projects, St. Paul's donors transform our campus and help our schools create spaces that engage and inspire teaching and learning.

The St. Paul's Schools endowment provides a reliable source of income for students and faculty to access a multitude of opportunities across our beautiful, 120-acre campus. Endowment donors are deeply committed to our mission, investing in the excellence of our students, faculty, and programs, and securing the schools' financial health in perpetuity.

Four new endowments were established during the 2020–21 year. As of June 30, 2021 the market value of St. Paul's endowment was $77.8 million.

The newly established endowments support The St. Paul's Schools, specifically benefiting student scholarship and the boys' middle school advisory program.

James "Jamie" Andrew Endowment

This fund was established to celebrate the achievements and honor the legacy of an iconic teacher-coach who served St. Paul's from 1967 to 2006. It provides support to the middle school advisory program.

The Ramsdell-Long Fund

This fund was established to honor alumnus David A. Ramsdell '02 and to provide tuition assistance for a boy who demonstrates talent or interest in the arts.

The Joan and A. Neale Smith Jr. '58 Scholarship Fund

This fund honors the legacy of Joan and Neale Smith—who have served in various roles and have supported the schools for many years—and will provide need-based tuition assistance for students at The St. Paul's Schools.

D. Mitchell Whiteley Scholarship

This fund was established to honor Mr. D. Mitchell "Mitch" Whiteley, an iconic teacher-coach, and to provide need-based tuition assistance for deserving minority students at St. Paul's School for Boys who have multiple talents including lacrosse, choral arts, and other activities.

Mr. David A. Ramsdell '02 and Mr. Kevin Long

What do you love most about St. Paul's?
The memories from my time at SP, including my friends, superb education, art appreciation, and the values instilled.

What about St. Paul's is most important to you?
Keeping the SP legacy alive and vibrant. Remaining true to SP foundations around trust, honesty, and growth as individuals and as a community.

What has been your favorite memory at St. Paul's?
Volunteering at the Bridges summer program provided responsibility and leadership to my skillset as a young man.

What inspires you to give to St. Paul's?
The *We Are St. Paul's* campaign was critical as it had a sense of purpose for making the institution capable of achieving even more for its students and teachers.

What do you love most about St. Paul's?
What I love most as a teacher is being able to contribute to a community that is committed to providing a quality education as well as a supportive work and family environment. What I love as a parent is the utter joy and pride my children have in being Crusaders and Gators and the genuine friendships and relationships they have developed in our 10 years at St. Paul's!

What about St. Paul's is most important to you?
What is most important to me as a teacher at St. Paul's is the opportunity to have a meaningful and positive impact on the development and growth of our students. As a parent, what I value most is that my children are being challenged, developed, and nurtured within a community that pushes them to become their best—physically, mentally, emotionally, and spiritually.

What has been your favorite memory at St. Paul's?
My favorite memory at St. Paul's is listening to the reading of the teacher comments at SP commencement.

What inspires you to give to St. Paul's?
What inspires me to give to St. Paul's is witnessing the love, care, professionalism, commitment, and dedication my colleagues give every day to their students and our community.

Bridges

The Bridges Program is a vital expression of The St. Paul's Schools' commitment to a more equitable and inclusive Baltimore community. It supports the long-term success of Baltimore City youth and provides life changing opportunities to upper school students in The St. Paul's Schools.

The St. Paul's Schools 2020-2021 Financials

GENEROUS GIFTS TO
THE ST. PAUL'S SCHOOLS

- General Operations - $2,220,000
- Capital Projects - $3,000,000
- The St. Paul's Endowment - $480,000
- Special Initiatives - $1,480,000

The St. Paul's Schools community of donors contributed more than $7 million during the 2020-21 year, investing in the people, programs, and values that are at the heart of what we do.

We are grateful to the graduates, parents, grandparents, students, and friends who support our mission to provide big opportunities in a small-school setting. Collectively, your gifts made a significant impact on the range and quality of the opportunities available to our students and faculty.

REVENUE $35.2 MILLION

- Tuition - 88%
- Contributions - 6%
- Endowment Draw - 3%
- Auxiliary Activities - 2%
- Other - 1%

EXPENSES $35.2 MILLION

- Instructional & Student Support - 56%
- General & Administrative - 25%

- Debt Service - 1%
- Auxiliary Activities - 1%

General operations include funding for tuition assistance, faculty enrichment (continuing education, conferences, and workshops) athletics (uniforms, equipment, and transportation), the arts (costumes, props, and supplies), and student wellness programs.

Capital projects range in scale from the new boys' upper school to updated equipment for the preschool outdoor classroom, and from planning for a transformative addition to the girls' school to putting a new roof on the historic pool house.

The endowment is a donor-funded investment account that provides a reliable source of income for tuition assistance, faculty enrichment and recognition, student awards, campus maintenance, and a range of other donor-directed purposes. Four new endowments were established during the 2020–2021 year and, as of June 30, 2021, the market value of St. Paul's endowment was $77.8 million.

Special initiatives, such as the St. Paul's Bridges Program, fall outside of the schools' operating budget, but further enrich our community and the opportunities for our students and faculty.

ONE ST. PAUL'S FUND

'ONE ST. PAUL'S FUND' BRINGS UNITY TO GIVING

As director of college counseling for St. Paul's School for Boys, Jake Talmage knows the critical importance of helping students find the right "fit" in their college choice. That's why he and his team collectively make 30 to 40 visits to college campuses each year. "We work to get a feel for what makes each campus unique — Is it quirky? Sports-centered? Set in a true college town? — so that we can answer our students' questions and provide the knowledge they need to build their college lists," he says.

The funding that makes these travels possible comes from the St. Paul's Fund, the boys' school's annual fundraising effort, which Talmage supports as the father of a ninth grader and has led as faculty chair. He and his wife also contribute to the Gator Fund, the annual fundraising effort that has provided critical support to St. Paul's School for Girls, where their daughter is a senior this year. Last year, more than 2,000 donors made gifts large and small to contribute $2.3 million collectively to the Gator Fund and St. Paul's Fund.

Beginning this year, as part of The St. Paul's Schools' unification effort, the two separate annual fundraising efforts will become one.

"This new 'One St. Paul's Fund' reflects our unity as a community and a family of schools," says Kevin Sottak, vice president of advancement for The St. Paul's Schools. "Many of our donors have multiple St. Paul's connections. Maybe they started in the preschool or lower school and graduated from the boys' or girls' school. Or they have children currently enrolled at more than one school. They want to support opportunities for all of our students and teachers."

Andrea and Brian Rubin, parents of Ella '24 and Madison '27, see the wisdom of creating a single unified fund, and they are enthusiastic about what it will do to further enhance their daughters' experience at St. Paul's School for Girls.

"We've seen firsthand over the years how the annual fund provides for so many things — from state-of-the-art technology, to field trips, to extracurricular activities, to being able to attract and retain the very best teachers," says Andrea. Adds Brian, "To us, it's so important to give back to the community that has given our family so much."

Though the Gator Fund and St. Paul's Funds have been retired, traditions such as Gator Day and the Laker-Crusader Challenge will continue, says Alden Reith, director of the One St. Paul's Fund. "We also plan to create a new tradition for the Pre and Lower School students and families," she notes.

> ***Combining the two annual funds into the One Fund just makes sense***

Janine Golden, P '13, '16, '22, served as Parents Association president for the boys' school in 2017–2018 and was thrilled to be part of the planning and decision-making for the unification effort that began to unfold at that time. She and her husband, Phil, also served as the Annual Fund Parent chairs for 2019–20 and 2020–21, and as chairs of the SP Senior Parent Gift effort in 2015–16.

"Combining the two annual funds into the One Fund just makes sense, and I am all for it," says Golden, who has reprised her role as Parents Association president this year, in partnership with Missy Salihi Smith '92 (SPSG, P '21 '24) and Tammey Holley (SPPL, P '30 '32). "Over the years, we have seen where the money goes — annual fund dollars helped make the Darrell Nature Pavilion a reality, for instance, and the funding also supports important programs such as the Oriel Learning Center, the many offerings in sports and the arts, and experiences to bond with peers and faculty while seeing something new in an off-campus trip."

Jake Talmage, SP director of college counseling, and his children.

Moving to the One St. Paul's Fund, says Sottak, will help ensure greater equity in the way resources are distributed across the campus. "We want to be sure each division is equally well served by the contributions that come in," he says. "However, the goal is not to slice the existing pie differently, but to increase the total amount raised by encouraging greater participation and generosity. That's how St. Paul's will remain competitive."

Historically, most St. Paul's donors have directed gifts toward "greatest need," trusting the schools' leaders to make wise decisions about where resources will have the greatest impact on programs. However, donors will continue to have the option to direct their contribution to a specific program priority or affiliated school.

Talmage sees the practical benefits in moving to the One St. Paul's Fund. "Instead of getting two different solicitations each year — one from the SPSG and one from the boys' school — we'll just be receiving one, which reduces mailing costs and is easier on the environment," he says.

More broadly, he sees the benefit of taking a more holistic approach to fundraising efforts and believes the timing couldn't be better to move to a single unified fund. "Because of their interests, my upper school children frequently cross over between the two schools, and I see a lot of crossover among the juniors and seniors I work with through College Counseling," he says. "We are all part of that larger community, and our donation to the One St. Paul's Fund will serve all of our children, faculty, and staff, wherever they are."
