CALENDAR CHANGES -Please note that we will now be having school on March 3 and 4 to make up for some of our flood days missed.

POSSIBLE REMOTE LEARNING IN OUR FUTURE - Due to extreme weather events, Nooksack Valley High School is currently operating remotely while elementary and middle school are fortunate enough to begin the new year in-person.

Our elementary staff is preparing to be able to quickly pivot from in-person to remote learning if needed. If that time comes, you will receive more details from school and materials will be sent with your child in advance or delivered to your home.

We will do all that we possibly can to provide in-person learning for your child every day, but when we can't, we want to be ready to support student learning no matter what. If you have any questions about this, please do not hesitate to contact us at 966-2030.

HEALTH & SAFETY REMINDERS - With COVID cases on the rise, thank you for helping us keep our school safe, healthy and OPEN for learning. Please make sure students wear a mask to school that fits well over their mouth and nose. An extra mask in their backpack is also appreciated. Our school provides COVID testing as well (called "test to stay") for any families wishing to use that service. Simply call the office.
