At the light at the end of the bridge, turn left onto Columbus Blvd. Continue on Columbus Blvd. through five sets of lights to the intersection of Charter Oak Avenue. (At this point, Columbus Blvd. becomes Wyllys Street.) Proceed with directions for parking below.

Where to park:

Parking is off Wyllys Street. For parking, do not turn left onto Charter Oak Avenue. Rather, proceed straight through the intersection onto Wyllys Street (Beyond the CREC building) and take you first left into the parking lot entrance between the Church of the Good Shepherd and its Rectory. A well-marked path will lead you to the CREC building. The small parking lot off Charter Oak Avenue in front of the building is for short term, authorized visitors only.
